About LendingTree, Inc.

LendingTree ([TREE](#)) is the nation's leading online marketplace that connects consumers with the choices they need to be confident in their financial decisions. LendingTree empowers consumers to shop for financial services the same way they would shop for airline tickets or hotel stays, comparing multiple offers from a nationwide network of over 500 partners in one simple search, and can choose the option that best fits their financial needs. Services include mortgage loans, mortgage refinances, auto loans, personal loans, business loans, student refinances, credit cards, insurance and more. Through the [My LendingTree](#) platform, consumers receive free credit scores, credit monitoring and recommendations to improve credit health. My LendingTree proactively compares consumers' credit accounts against offers on our network, and notifies consumers when there is an opportunity to save money. In short, LendingTree's purpose is to help simplify financial decisions for life's meaningful moments through choice, education and support.
