* Information required by Part I to be contained in the Section 10(a) prospectus is omitted from this Registration Statement in accordance with Rule 428 under the Securities Act of 1933, as amended (the “Securities Act”), and the Note to Part I of Form S-8.

PART II

INFORMATION REQUIRED IN REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The Securities and Exchange Commission (the “SEC”) allows the Registrant to “incorporate by reference” the information that the Registrant files with the SEC, which means that the Registrant can disclose important information by reference to those documents. The information incorporated by reference is considered to be part of this Registration Statement, and later information filed with the SEC will update and supersede this information. The following documents filed by the Registrant with the SEC are hereby incorporated by reference into this Registration Statement:

- The Registrant’s latest Annual Report on Form 10-K for the fiscal year ended December 31, 2018, filed on February 28, 2019;
- All reports filed by the Registrant pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), since the end of the fiscal year covered by the annual report referenced above; and
- The description of the Registrant’s common stock contained in the Registrant’s Registration Statement on Form 8-A (File No. 333-152700) filed with the SEC on August 5, 2008, pursuant to Section 12(b) of the Exchange Act, including any amendments or reports filed for the purpose of updating such description.

In addition, all documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered by this Registration Statement have been sold or which deregisters all such securities then remaining unsold, will be incorporated by reference into this Registration Statement from the date of filing of such documents.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for the purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of the State of Delaware (the “DGCL”) provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, in which such person is made a party by reason of the fact that the person is or was a director, officer, employee or agent of the corporation (other than an action by or in the right of the corporation—a “derivative action”), if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person’s conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys’ fees) incurred in connection with the defense or settlement of such action, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation’s by-laws, disinterested director vote, stockholder vote, agreement or otherwise.

The Company’s Amended and Restated Certificate of Incorporation provides that no director shall be liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation on liability is not permitted under the DGCL, as now in effect or as amended. Currently, Section 102(b)(7) of the DGCL requires that liability be imposed for the following:

- any breach of the director’s duty of loyalty to the Company or its stockholders;
- acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL; and
- any transaction from which the director derived an improper personal benefit.

The Company’s Fourth Amended and Restated By-Laws provide that, to the fullest extent authorized by the DGCL, as now in effect or as amended, the Company will indemnify any person who was or is a party or is threatened to be made a party to or is otherwise involved in any action, suit or proceeding by reason of the fact that such person, or a person of whom he or she is the legal representative, is or was a director or officer of the Company, or by reason of the fact such person, or a person of whom he or she is the legal representative is or was serving, at the Company’s request, as a director, officer, or trustee of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by the Company. To the extent authorized by the DGCL, the Company will indemnify such persons against all expenses, liability and loss (including attorneys’ fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such persons in connection with such service. Any amendment of these provisions will not reduce the indemnification obligations of the Company relating to actions taken before such amendment.

The Company maintains a directors’ and officers’ liability insurance policy insuring its directors and officers against certain liabilities and expenses incurred by them in their capacities as such and insuring the Company, under certain circumstances, in the event that indemnification payments are made by the Company to such directors and officers.

Item 7. Exemption From Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that:

paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Charlotte, State of North Carolina, on August 5, 2019.

**SIXTH AMENDED AND RESTATED
LENDINGTREE, INC.
2008 STOCK AND ANNUAL INCENTIVE PLAN**

Section 1. Purpose; Definition

The Company's Board originally adopted the Plan effective as of August 20, 2008 (the "*Effective Date*") and the Plan was originally approved by Company stockholders on August 20, 2008. The Plan has been subsequently amended and restated by the Board on previous occasions with such restatements also approved by Company stockholders. The Board's most recent restatement of the Plan, the Sixth Amended and Restated LendingTree, Inc. 2008 Stock and Annual Incentive Plan (the "*Sixth Plan Restatement*"), was effected on April 24, 2019 (the "*Board Approval Date*"). This Sixth Plan Restatement is conditioned upon and subject to obtaining Company stockholder approval before the first anniversary of the Board Approval Date. The Sixth Plan Restatement and all of its terms shall become effective upon the date the Company stockholders approve the Sixth Plan Restatement, as long as such date is within twelve months of the Board Approval Date. If Company stockholder approval is not obtained before the first anniversary of the Board Approval Date, the Sixth Plan Restatement shall be null and void.

The purpose of this Plan is to give the Company a competitive advantage in attracting, retaining and motivating officers, employees, directors and/or consultants and to provide the Company and its Subsidiaries and Affiliates with a stock and incentive plan providing incentives directly linked to stockholder value.

Certain terms used herein have definitions given to them in the first place in which they are used. In addition, for purposes of this Plan, the following terms are defined as set forth below provided however that if a Participant's Individual Agreement or Award Agreement expressly includes defined terms that expressly are different from and/or conflict with the defined terms contained in this Plan then the defined terms contained in the Individual Agreement or Award Agreement shall govern and shall supersede the definitions provided in this Plan:

- (a) "*Affiliate*" means a corporation or other entity controlled by, controlling or under common control with, the Company.
 - (b) "*Applicable Exchange*" means Nasdaq or such other securities exchange as may at the applicable time be the principal market for the Common Stock.
 - (c) "*Award*" means an Option, Stock Appreciation Right, Restricted Stock, Restricted Stock Unit, or other stock based award granted or assumed pursuant to the terms of this Plan.
 - (d) "*Award Agreement*" means a written or electronic document or agreement setting forth the terms and conditions of a specific Award.
 - (e) "*Beneficial Ownership*" shall have the meaning given in Rule 13d-3 promulgated under the Exchange Act.
 - (f) "*Board*" means the Board of Directors of the Company.
 - (g) "*Cause*" means: (i) "*Cause*" as defined in any Individual Agreement to which the applicable Participant is a party, or (ii) if there is no such Individual Agreement or if it does not define Cause: (A) the willful or gross neglect by a Participant of his employment duties; (B) the plea of guilty or *nolo contendere* to, or conviction for, the commission of a felony offense by a Participant; (C) a material breach by a Participant of a fiduciary duty owed to the Company or any of its subsidiaries; (D) a material breach by a Participant of any nondisclosure, non-solicitation
-

or non-competition obligation owed to the Company or any of its Affiliates; or (E) before a Change in Control, such other events as shall be determined by the Committee and set forth in a Participant's Award Agreement. Notwithstanding the general rule of Section 2(c), following a Change in Control, any determination by the Committee as to whether "Cause" exists shall be subject to *de novo* review. The Board or Committee may in its discretion determine that a Participant's employment with, or performance of services for, the Company and any of its Subsidiaries or Affiliates may be deemed to have been terminated for Cause if, after the Participant's employment and/or service has terminated, facts and circumstances are discovered that would have justified a termination for Cause, including, without limitation, violation of material Company policies or breach of confidentiality or other restrictive covenants that may apply to the Participant.

(h) "*Change in Control*" has the meaning set forth in Section 9(b).

(i) "*Code*" means the Internal Revenue Code of 1986, as amended from time to time, and any successor thereto, the Treasury Regulations thereunder and other relevant interpretive guidance issued by the Internal Revenue Service or the Treasury Department. Reference to any specific section of the Code shall be deemed to include such regulations and guidance, as well as any successor provision of the Code.

Notwithstanding the above, with respect to an Incentive Stock Option, Disability shall mean Permanent and Total Disability as defined in Section 22(e)(3) of the Code and, with respect to each Award that constitutes a "nonqualified deferred compensation plan" within the meaning of Section 409A of the Code, the foregoing definition shall apply for purposes of vesting of such Award, provided that such Award shall not be settled until the earliest of: (i) the Participant's "disability" within the meaning of Section 409A of the Code, or (ii) the Participant's "separation from service" within the meaning of Section 409A of the Code and (iii) the date such Award would otherwise be settled pursuant to the terms of the Award Agreement.

(p) "*EBITA*" means for any period, operating profit (loss) plus (i) amortization, including goodwill impairment, (ii) amortization of non-cash distribution and marketing expense and non-cash compensation expense, (iii) restructuring charges, (iv) non-cash write-downs of assets or goodwill, (v) charges relating to disposal of lines of business, (vi) litigation settlement amounts and (vii) costs incurred for proposed and completed acquisitions.

(s) “*Exchange Act*” means the Securities Exchange Act of 1934, as amended from time to time, and any successor thereto.

(t) “*Fair Market Value*” means, unless otherwise determined by the Committee, the closing price of a share of Common Stock on the Applicable Exchange on the date of measurement, or if Shares were not traded on the Applicable Exchange on such measurement date, then on the next preceding date on which Shares were traded, all as reported by such source as the Committee may select. If the Common Stock is not listed on a national securities exchange, Fair Market Value shall be determined by the Committee in its good faith discretion, taking into account, to the extent appropriate, the requirements of Section 409A of the Code.

(u) “*Free-Standing SAR*” has the meaning set forth in Section 5(b).

(v) “*Grant Date*” means (i) the date on which the Committee by resolution selects an Eligible Individual to receive a grant of an Award and determines the number of Shares to be subject to such Award or the formula for earning a number of shares or cash amount or (ii) such later date as the Committee shall provide in such resolution.

(dd) “*Performance Goals*” means the performance goals established by the Committee in connection with the grant of Options, Restricted Stock, Restricted Stock Units or other stock-based awards.

(ee) “*Plan*” means this Sixth Amended and Restated LendingTree, Inc. 2008 Stock and Annual Incentive Plan, as set forth herein and as hereafter amended from time to time.

(ff) “*Restricted Stock*” means an Award granted under Section 6.

(gg) “*Restricted Stock Units*” means an Award granted under Section 7.

(hh) “*Resulting Voting Power*” shall mean the outstanding combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors (or equivalent governing body, if applicable) of

All individuals who are determined to be key employees under Section 416(i)(1)(A)(i), (ii) or (iii) of the Code (without regard to paragraph (5) thereof) on December 31st shall be treated as Specified Employees for purposes of the Plan during the twelve (12) month period that begins on the following April 1st

(oo) "*Term*" means the maximum period during which an Option or Stock Appreciation Right may remain outstanding, subject to earlier termination upon Termination of Employment or otherwise, as specified in the applicable Award Agreement.

(pp) "*Termination of Employment*" means the termination of the applicable Participant's employment with, or performance of services for, the Company and any of its Subsidiaries or Affiliates. Unless otherwise determined by the Committee, if a Participant's employment with, or membership on a board of directors of the Company and its Affiliates terminates but such Participant continues to provide services to the Company and its Affiliates in a non-employee director capacity or as an employee, as applicable, such change in status shall not be deemed a Termination of Employment. A Participant employed by, or performing services for, a Subsidiary or an Affiliate or a division of the Company and its Affiliates shall be deemed to incur a Termination of Employment if, as a result of a Disaffiliation, such Subsidiary, Affiliate, or division ceases to be a Subsidiary, Affiliate or division, as the case may be, and the Participant does not immediately thereafter become an employee of (or service provider for), or member of the board of directors of, the Company or another Subsidiary or Affiliate. Temporary absences from employment because of illness, vacation or leave of absence and transfers among the Company and its Subsidiaries and Affiliates shall not be considered Terminations of Employment. Notwithstanding the foregoing, with respect to any Award that constitutes a "nonqualified deferred compensation plan" within the meaning of Section 409A of the Code, "Termination of Employment" shall mean a "separation from service" as defined under Section 409A of the Code. However, for purposes of determining whether an employee's outstanding Incentive Stock Options are eligible to continue to qualify as Incentive Stock Options (and not become Nonqualified Options), an employee's employment and/or services will be treated as terminating three (3) months after such employee went on leave, unless such employee's right to return to active work is guaranteed by law or by a contract.

(qq) “10-Percent Shareholder” means an individual who owns more than ten percent (10%) of the total combined voting power of all classes of outstanding stock of the Company, its parent corporation or any of its Subsidiaries. In determining stock ownership, the attribution rules of Section 424(d) of the Code shall be applied.

Section 2. Administration

(a) *Committee.* The Plan shall be administered by the Compensation Committee of the Board or such other committee of the Board as the Board may from time to time designate (the “Committee”), which shall be composed of not less than two directors, and shall be appointed by and serve at the pleasure of the Board. Among other things, the Committee shall have the authority, subject to the terms and conditions of the Plan:

- (i) to select the Eligible Individuals to whom Awards may from time to time be granted;
- (ii) to determine whether and to what extent Incentive Stock Options, Nonqualified Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, other stock-based awards, or any combination thereof, are to be granted hereunder;
- (iii) to determine the number of Shares to be covered by each Award granted hereunder;
- (iv) to determine the terms and conditions, including Performance Goals (if any) and their degree of satisfaction, of each Award granted hereunder, based on such factors as the Committee shall determine;
- (v) subject to Section 11, to modify, amend or adjust the terms and conditions of any Award;
- (vi) to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall from time to time deem advisable;
- (vii) subject to Section 10, to accelerate the vesting or lapse of restrictions of any outstanding Award and/or to extend the exercise period of an Award, based in each case on such considerations as the Committee in its sole discretion determines;
- (viii) to interpret the terms and provisions of the Plan and any Award issued under the Plan (and any agreement relating thereto);
- (ix) to establish any “blackout” period that the Committee in its sole discretion deems necessary or advisable;
- (x) to determine whether, to what extent, and under what circumstances cash, Shares, and other property and other amounts payable with respect to an Award under this Plan shall be deferred either automatically or at the election of the Participant;
- (xi) to decide all other matters that must be determined in connection with an Award; and
- (xii) to otherwise administer the Plan.

(b) *Procedures.*

- (i) The Committee may act only by a majority of its members then in office, except that the Committee may, except to the extent prohibited by applicable law or the listing standards of the Applicable Exchange and subject to Section 10, allocate all or any portion of its responsibilities and powers to any one or more of its
-

members and may delegate all or any part of its responsibilities and powers to any person or persons selected by it.

- (ii) Subject to Section 10(c), any authority granted to the Committee may also be exercised by the full Board. To the extent that any permitted action taken by the Board conflicts with action taken by the Committee, the Board action shall control.

(c) *Discretion of Committee.* Subject to Section 1(h), any determination made by the Committee or by an appropriately delegated officer pursuant to delegated authority under the provisions of the Plan with respect to any Award shall be made in the sole discretion of the Committee or such delegate at the time of the grant of the Award or, unless in contravention of any express term of the Plan, at any time thereafter. All decisions made by the Committee or any appropriately delegated officer pursuant to the provisions of the Plan shall be final and binding on all persons, including the Company, Participants, and Eligible Individuals, and shall receive the maximum deference permitted under applicable laws.

(d) *Award Agreements.* The terms and conditions of each Award, as determined by the Committee, shall be set forth in an Award Agreement, which shall be delivered to the Participant receiving such Award upon, or as promptly as is reasonably practicable following, the grant of such Award. The effectiveness of an Award shall not be subject to the Award Agreement's being signed by the Company and the Participant receiving the Award unless specifically so provided in the Award Agreement. Award Agreements may be amended only in accordance with Section 11 hereof. Notwithstanding any provision of the Plan or an Award Agreement to the contrary, in the event that any term of an Award Agreement conflicts with any provision of the Plan that specifically pertains to Section 409A of the Code, the provision of the Plan shall govern.

Section 3. Common Stock Subject to Plan

(a) *Plan Maximums.* Subject to Section 3(d), the maximum number of Shares that may be delivered pursuant to Awards under the Plan is 6,100,000 and the maximum number of Shares that are permitted to be issued pursuant to the exercise of Incentive Stock Options granted under the Plan as described in Section 5 is 4,583,333. Shares subject to an Award under the Plan may be authorized and unissued Shares or may be treasury Shares.

(b) *Non-Employee Director Compensation Limits.* Notwithstanding anything to the contrary, the aggregate amount of all cash compensation (including annual retainers and other fees, whether or not granted under the Plan) plus the aggregate grant date fair market value (computed as of the date of grant in accordance with applicable financial accounting rules) of all Awards issued under this Plan (or under any other incentive plan) provided to any non-employee director during any single calendar year may not exceed \$640,000. For the avoidance of doubt, any compensation that is deferred shall be counted toward this limit in the calendar year in which the compensation is vested, and not in any later calendar year when it is paid to the non-employee director.

(c) *Rules for Calculating Shares Delivered.*

- (i) To the extent that any Award is forfeited, or any Option and the related Tandem SAR (if any) or Free-Standing SAR terminates, expires or lapses without being exercised (specifically including the Award contemplated by clause (iii) below), or any Award is settled for cash, the Shares subject to such Awards not delivered as a result thereof shall again be available for Awards under the Plan.
 - (ii) If the exercise price of any Option and/or the tax withholding obligations relating to any Award are satisfied by delivering Shares to the Company (by either actual delivery or by attestation), only the number of Shares issued net of the Shares delivered or attested to shall be deemed delivered for purposes of the limits set forth in Section 3(a). To the extent any Shares subject to an Award are withheld to satisfy the exercise price (in the
-

case of an Option) and/or the tax withholding obligations relating to such Award, such Shares shall not be deemed to have been delivered for purposes of the limits set forth in Section 3(a).

- (iii) Any dividend equivalents distributed under the Plan shall count against the Share limits set forth in Section 3(a). Dividend equivalents will not be paid (or accrue) on unexercised Options or unexercised Stock Appreciation Rights.

(d) *Adjustment Provision.* In the event of a merger, consolidation, acquisition of property or shares, stock rights offering, liquidation, Disaffiliation, or similar event affecting the Company or any of its Subsidiaries (each, a “*Corporate Transaction*”), the Committee or the Board may in its discretion make such substitutions or adjustments as it deems appropriate and equitable to (w) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (x) the various maximum limitations set forth in Section 3(a) upon certain types of Awards and upon the grants to individuals of certain types of Awards, (y) the number and kind of Shares or other securities subject to outstanding Awards; and (z) the exercise price of outstanding Options and Stock Appreciation Rights. In the event of a stock dividend, stock split, reverse stock split, separation, spinoff, reorganization, extraordinary dividend of cash or other property, share combination, or recapitalization or similar event affecting the capital structure of the Company (each, a “*Share Change*”), the Committee or the Board shall make such substitutions or adjustments as it deems appropriate and equitable to (i) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (ii) the various maximum limitations set forth in Section 3(a) upon certain types of Awards and upon the grants to individuals of certain types of Awards, (iii) the number and kind of Shares or other securities subject to outstanding Awards; and (iv) the exercise price of outstanding Options and Stock Appreciation Rights. In the case of Corporate Transactions, such adjustments may include, without limitation, (1) the cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Committee or the Board in its sole discretion (it being understood that in the case of a Corporate Transaction with respect to which stockholders of Common Stock receive consideration other than publicly traded equity securities of the ultimate surviving entity, any such determination by the Committee that the value of an Option or Stock Appreciation Right shall for this purpose be deemed to equal the excess, if any, of the value of the consideration being paid for each Share pursuant to such Corporate Transaction over the exercise price of such Option or Stock Appreciation Right shall conclusively be deemed valid); (2) the substitution of other property (including, without limitation, cash or other securities of the Company and securities of entities other than the Company) for the Shares subject to outstanding Awards; and (3) in connection with any Disaffiliation, arranging for the assumption of Awards, or replacement of Awards with new awards based on other property or other securities (including, without limitation, other securities of the Company and securities of entities other than the Company), by the affected Subsidiary, Affiliate, or division or by the entity that controls such Subsidiary, Affiliate, or division following such Disaffiliation (as well as any corresponding adjustments to Awards that remain based upon Company securities). The Committee may adjust in its sole discretion the Performance Goals applicable to any Awards to reflect any Share Change and any Corporate Transaction and any unusual or non-recurring events and other extraordinary items, impact of charges for restructurings, discontinued operations, and the cumulative effects of accounting or tax changes, each as defined by generally accepted accounting principles or as identified in the Company’s financial statements, notes to the financial statements, management’s discussion and analysis or the Company’s other SEC filings. Any adjustment under this Section 3(d) need not be the same for all Participants. Any adjustment of Shares pursuant to this Section 3(d) shall be rounded down to the nearest whole number of Shares. Under no circumstances shall the Company be required to authorize or issue fractional shares. To the extent permitted by applicable law, no consideration shall be provided as a result of any fractional shares not being issued or authorized.

(e) *Section 409A.* Notwithstanding the foregoing: (i) any adjustments made pursuant to Section 3(d) to Awards that are considered “deferred compensation” within the meaning of Section 409A of the Code shall be made in compliance with the requirements of Section 409A of the Code; and (ii) any adjustments made pursuant to Section 3(d) to Awards that are not considered “deferred compensation” subject to Section 409A of the Code shall be made in

such a manner as to ensure that after such adjustment, the Awards either (A) continue not to be subject to Section 409A of the Code or (B) comply with the requirements of Section 409A of the Code.

Section 4. Eligibility

Awards may be granted under the Plan to Eligible Individuals; *provided, however*, that Incentive Stock Options may be granted only to employees of the Company and its subsidiaries or parent corporation (within the meanings of Sections 424(e) and 424(f) of the Code).

Section 5. Options and Stock Appreciation Rights

(a) *Types of Options.* Options may be of two types: Incentive Stock Options and Nonqualified Options. The Award Agreement for an Option shall indicate whether the Option is intended to be an Incentive Stock Option or a Nonqualified Option (and if not so indicated then the Option shall be a Nonqualified Option). An employee who is a 10-Percent Shareholder shall not be eligible for the grant of an Incentive Stock Option unless the requirements set forth in Section 422(c)(5) of the Code are satisfied. If and to the extent that any Shares are issued under a portion of any Option that exceeds the \$100,000 limitation of Section 422 of the Code, such Shares shall not be treated as issued under an Incentive Stock Option notwithstanding any designation otherwise.

Certain decisions, amendments, interpretations and actions by the Company or Committee and certain actions by a Participant may cause an Option to cease to qualify as an Incentive Stock Option pursuant to the Code and by accepting an Option, the Participant agrees in advance to such disqualifying action(s).

(b) *Types and Nature of Stock Appreciation Rights.* Stock Appreciation Rights may be “Tandem SARs,” which are granted in conjunction with an Option, or “Free-Standing SARs,” which are not granted in conjunction with an Option. Upon the exercise of a Stock Appreciation Right, the Participant shall be entitled to receive an amount in cash, Shares, or both, in aggregate value equal to the product of (i) the excess of the Fair Market Value of one Share over the exercise price of the applicable Stock Appreciation Right, multiplied by (ii) the number of Shares in respect of which the Stock Appreciation Right has been exercised. The applicable Award Agreement shall specify whether such payment is to be made in cash or Common Stock or both, or shall reserve to the Committee or the Participant the right to make that determination prior to or upon the exercise of the Stock Appreciation Right.

(c) *Tandem SARs.* A Tandem SAR may be granted at the Grant Date of the related Option. A Tandem SAR shall be exercisable only at such time or times and to the extent that the related Option is exercisable in accordance with the provisions of this Section 5, and shall have the same exercise price as the related Option. A Tandem SAR shall proportionately terminate or be forfeited upon the exercise or forfeiture of the related Option, and the related Option shall proportionately terminate or be forfeited upon the exercise or forfeiture of the Tandem SAR.

(d) *Exercise Price.* The exercise price per Share subject to an Option or Free-Standing SAR shall be determined by the Committee and set forth in the applicable Award Agreement, and shall not be less than the Fair Market Value of a Share (or less than 110% for 10-Percent Shareholders in the case of Incentive Stock Options) on the applicable Grant Date. In no event may any Option or Free-Standing SAR granted under this Plan be amended, other than pursuant to Section 3(d), to decrease the exercise price thereof, be cancelled in conjunction with the grant of any new Option or Free-Standing SAR with a lower exercise price or otherwise be subject to any action that would be treated, for accounting purposes, as a “repricing” of such Option or Free-Standing SAR, unless such amendment, cancellation, or action is approved by the Company’s stockholders.

(e) *Term.* The Term of each Option and each Free-Standing SAR shall be fixed by the Committee, but shall not exceed ten years from the Grant Date. Notwithstanding anything to the contrary, an Incentive Stock Option that is granted to a 10-Percent Shareholder shall have a maximum term of five years.

(f) *Vesting and Exercisability.* Except as otherwise provided herein, Options and Free-Standing SARs shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee. If the Committee provides that any Option or Free-Standing SAR will become exercisable only in installments, the Committee may at any time waive such installment exercise provisions, in whole or in part, based on such factors as the Committee may determine. In addition, the Committee may at any time accelerate the exercisability of any Option or Free-Standing SAR.

(g) *Method of Exercise.* Subject to the provisions of this Section 5, Options and Free-Standing SARs may be exercised, in whole or in part, at any time during the applicable Term by giving written notice of exercise to the Company or through the procedures established with the Company's appointed third-party Option administrator specifying the number of Shares as to which the Option or Free-Standing SAR is being exercised; *provided, however,* that, unless otherwise permitted by the Committee, any such exercise must be with respect to a portion of the applicable Option or Free-Standing SAR relating to no less than the lesser of the number of Shares then subject to such Option or Free-Standing SAR or 100 Shares. In the case of the exercise of an Option, such notice shall be accompanied by payment in full of the purchase price (which shall equal the product of such number of Shares multiplied by the applicable exercise price) by certified or bank check or such other instrument as the Company may accept. If approved by the Committee, payment, in full or in part, may also be made as follows:

- (i) Payments may be made in the form of unrestricted Shares (by delivery of such Shares or by attestation) of the same class as the Common Stock subject to the Option already owned by the Participant (based on the Fair Market Value of the Common Stock on the date the Option is exercised); *provided, however,* that, in the case of an Incentive Stock Option, the right to make a payment in the form of already owned Shares of the same class as the Common Stock subject to the Option may be authorized only at the time the Option is granted.
- (ii) To the extent permitted by applicable law, payment may be made by delivering a properly executed exercise notice to the Company, together with a copy of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds necessary to pay the purchase price, and, if requested, the amount of any federal, state, local or foreign withholding taxes. To facilitate the foregoing, the Company may, to the extent permitted by applicable law, enter into agreements for coordinated procedures with one or more brokerage firms. To the extent permitted by applicable law, the Committee may also provide for Company loans to be made for purposes of the exercise of Options.
- (iii) Payment may be made by instructing the Company to withhold a number of Shares having a Fair Market Value (based on the Fair Market Value of the Common Stock on the date the applicable Option is exercised) equal to the product of (A) the exercise price multiplied by (B) the number of Shares in respect of which the Option shall have been exercised.

(h) *Delivery; Rights of Stockholders.* No Shares shall be delivered pursuant to the exercise of an Option until the exercise price therefor has been fully paid and the Participant has satisfied any applicable withholding or tax obligations relating to the Option. The applicable Participant shall have all of the rights of a stockholder of the Company holding the class or series of Common Stock that is subject to the Option or Stock Appreciation Right (including, if applicable, the right to vote the applicable Shares and the right to receive dividends), when the Participant (i) has given written notice of exercise, (ii) if requested, has given the representation described in Section 13(a), (iii) in the case of an Option, has paid in full for such Shares, and (iv) has satisfied any applicable withholding or tax obligations relating to the Option or Stock Appreciation Right.

(i) *Termination of Employment.* Subject to Section 9, a Participant's Options and Stock Appreciation Rights shall be forfeited upon such Participant's Termination of Employment, except as set forth below:

- (i) Upon a Participant's Termination of Employment by reason of death, any Option or Stock Appreciation Right held by the Participant that was exercisable immediately before the Termination of Employment may be exercised at any time until the earlier of (A) the first anniversary of the date of such death and (B) the expiration of the Term thereof;
- (ii) Upon a Participant's Termination of Employment by reason of Disability or Retirement, any Option or Stock Appreciation Right held by the Participant that was exercisable immediately before the Termination of Employment may be exercised at any time until the earlier of (A) the first anniversary of such Termination of Employment and (B) the expiration of the Term thereof;
- (iii) Upon a Participant's Termination of Employment for any reason other than death, Disability, Retirement or for Cause, any Option or Stock Appreciation Right held by the Participant that was exercisable immediately before the Termination of Employment may be exercised at any time until the earlier of (A) three months following such Termination of Employment and (B) expiration of the Term thereof; and
- (iv) Notwithstanding the above provisions of this Section 5(i), if a Participant dies after such Participant's Termination of Employment but while any Option or Stock Appreciation Right remains exercisable as set forth above, such Option or Stock Appreciation Right may be exercised at any time until the later of (A) the first anniversary of the date of such death and (B) the last date on which such Option or Stock Appreciation Right would have been exercisable, absent this Section 5(i)(iv), but in no event later than the expiration of the Term thereof.

Notwithstanding the foregoing, the Committee shall have the power, in its discretion, to apply different rules concerning the consequences of a Termination of Employment; *provided, however*, that if such rules are less favorable to the Participant than those set forth above, such rules are set forth in the applicable Award Agreement. If an Incentive Stock Option is exercised after the expiration of the exercise periods that apply for purposes of Section 422 of the Code, such Option will thereafter be treated as a Nonqualified Option.

(j) *Nontransferability of Options and Stock Appreciation Rights.* No Option or Free-Standing SAR shall be transferable by a Participant other than (i) by will or by the laws of descent and distribution, or (ii) in the case of a Nonqualified Option or Free-Standing SAR, pursuant to a qualified domestic relations order or as otherwise expressly permitted by the Committee including, if so permitted, pursuant to a transfer to the Participant's family members or to a charitable organization, whether directly or indirectly or by means of a trust or partnership or otherwise. For purposes of this Plan, unless otherwise determined by the Committee, "family member" shall have the meaning given to such term in General Instructions A.1(a)(5) to Form S-8 under the Securities Act of 1933, as amended, and any successor thereto. A Tandem SAR shall be transferable only with the related Option as permitted by the preceding sentence. Any Option or Stock Appreciation Right shall be exercisable, subject to the terms of this Plan, only by the applicable Participant, the guardian or legal representative of such Participant, or any person to whom such Option or Stock Appreciation Right is permissibly transferred pursuant to this Section 5(j), it being understood that the term "Participant" includes such guardian, legal representative and other transferee; *provided, however*, that the term "Termination of Employment" shall continue to refer to the Termination of Employment of the original Participant.

Section 6. Restricted Stock

(a) *Nature of Awards and Certificates.* Shares of Restricted Stock are actual Shares issued to a Participant, and shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more stock certificates. Any certificate issued in respect of Shares of Restricted Stock shall be registered in the name of the applicable Participant and, in the case of Restricted Stock, shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form, in addition to any other legend the Committee determines appropriate:

“The transferability of this certificate and the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the LendingTree, Inc. 2008 Stock and Annual Incentive Plan and an Award Agreement. Copies of such Plan and Agreement are on file at the offices of LendingTree, Inc., 11115 Rushmore Drive, Charlotte, NC 28277.”

The Committee may require that the certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed and that, as a condition of any Award of Restricted Stock, the applicable Participant shall have delivered a stock power, endorsed in blank, relating to the Common Stock covered by such Award.

(b) *Terms and Conditions.* Shares of Restricted Stock shall be subject to the following terms and conditions:

- (i) The Committee shall, prior to or at the time of grant, condition the vesting or transferability of an Award of Restricted Stock upon the continued service of the applicable Participant or the attainment of Performance Goals, or the attainment of Performance Goals and the continued service of the applicable Participant. The conditions for grant, vesting, or transferability and the other provisions of Restricted Stock Awards (including without limitation any Performance Goals) need not be the same with respect to each Participant.
- (ii) Subject to the provisions of the Plan and the applicable Award Agreement, during the period, if any, set by the Committee, commencing with the date of such Restricted Stock Award for which such vesting restrictions apply and until the expiration of such vesting restrictions (the “Restriction Period”), the Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber Shares of Restricted Stock.
- (iii) Except as provided in this Section 6 and in the applicable Award Agreement, the applicable Participant shall have, with respect to the Shares of Restricted Stock, all of the rights of a stockholder of the Company holding the class or series of Common Stock that is the subject of the Restricted Stock, including, if applicable, the right to vote the Shares and the right to receive any cash dividends. If so determined by the Committee in the applicable Award Agreement and subject to Section 13(e), (A) cash dividends on the class or series of Common Stock that is the subject of the Restricted Stock Award shall be automatically deferred and reinvested in additional Restricted Stock, held subject to the vesting of the underlying Restricted Stock, and (B) subject to any adjustment pursuant to Section 3(d), dividends payable in Common Stock shall be paid in the form of Restricted Stock of the same class as the Common Stock with which such dividend was paid, held subject to the vesting of the underlying Restricted Stock.
- (iv) Except as otherwise set forth in the applicable Award Agreement, upon a Participant’s Termination of Employment for any reason during the Restriction Period, all Shares of Restricted Stock still subject to restriction shall be forfeited by such Participant without consideration (except for repayment of any amounts the Participant had paid to the Company to acquire unvested Shares underlying the forfeited Awards); provided, however, that subject to Section 10(b), the Committee shall have the discretion to waive, in whole or in part, any or all remaining restrictions with respect to any or all of such Participant’s Shares of Restricted Stock.
- (v) If and when any applicable Performance Goals are satisfied and the Restriction Period expires without a prior forfeiture of the Shares of Restricted Stock for which legended certificates have been issued, unlegended certificates for such Shares shall be delivered to the Participant upon surrender of the legended certificates.

Section 7. Restricted Stock Units

(a) *Nature of Awards.* Restricted Stock Units are Awards denominated in Shares that will be settled, subject to the terms and conditions of the Restricted Stock Units, in an amount in cash, Shares or both, based upon the Fair Market Value of a specified number of Shares.

(b) *Terms and Conditions.* Restricted Stock Units shall be subject to the following terms and conditions:

- (i) The Committee shall, prior to or at the time of grant, condition the grant, vesting, or transferability of Restricted Stock Units upon the continued service of the applicable Participant or the attainment of Performance Goals, or the attainment of Performance Goals and the continued service of the applicable Participant. The conditions for grant, vesting or transferability and the other provisions of Restricted Stock Units (including without limitation any Performance Goals) need not be the same with respect to each Participant. Except as otherwise provided in Section 7(b)(iv) or in the applicable Award Agreement, an Award of Restricted Stock Units shall be settled if and when the Restricted Stock Units vest (but in no event later than two and a half months after the end of the fiscal year in which the Restricted Stock Units vest).
- (ii) Subject to the provisions of the Plan and the applicable Award Agreement, during the period, if any, set by the Committee, commencing with the date of such Restricted Stock Units for which such vesting restrictions apply and until the expiration of such vesting restrictions (the "Restriction Period"), the Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber Restricted Stock Units.
- (iii) The Award Agreement for Restricted Stock Units shall specify whether, to what extent and on what terms and conditions the applicable Participant shall be entitled to receive current or deferred payments of cash, Common Stock or other property corresponding to the dividends payable on the Common Stock (subject to Section 13(e) below).
- (iv) Except as otherwise set forth in the applicable Award Agreement, upon a Participant's Termination of Employment for any reason during the Restriction Period, all Restricted Stock Units still subject to restriction shall be forfeited by such Participant; provided, however, that subject to Section 10(b), the Committee shall have the discretion to waive, in whole or in part, any or all remaining restrictions with respect to any or all of such Participant's Restricted Stock Units, provided, however, if any of such Participant's Restricted Stock Units constitute a "nonqualified deferred compensation plan" within the meaning of Section 409A of the Code, settlement of such Restricted Stock Units shall not occur until the earliest of (1) the date such Restricted Stock Units would otherwise be settled pursuant to the terms of the Award Agreement or (2) the Participant's "separation of service" within the meaning of Section 409A of the Code.

Section 8. Other Stock-Based Awards

Other Awards of Common Stock and other Awards that are valued in whole or in part by reference to, or are otherwise based upon or settled in, Common Stock, including (without limitation), unrestricted stock, performance units, dividend equivalents, and convertible debentures, may be granted under the Plan.

Section 9. Change in Control Provisions

(a) *Impact of Event.* Subject to paragraph (d) of this Section 9, and paragraph (d) of Section 11, unless otherwise provided in any applicable Award Agreement, in connection with a Change in Control, the Committee may make such adjustments and/or settlements of outstanding Awards as it deems appropriate and consistent with the Plan's purposes, including, without limitation, the termination of and/or acceleration of vesting of Awards either upon a Change in Control or upon various terminations of employment following a Change in Control. The Committee may provide for such adjustments as a term of the Award or may make such adjustments following the granting of the Award.

(b) *Definition of Change in Control.* For purposes of the Plan, unless otherwise provided in an option agreement or other agreement relating to an Award, a "Change in Control" shall mean the happening of any of the following events:

- (i) The acquisition by any individual, entity or Group (a “Person”), other than the Company, of Beneficial Ownership of equity securities of the Company representing more than 50% of the voting power of the then outstanding equity securities of the Company entitled to vote generally in the election of directors (the “Outstanding Company Voting Securities”); provided, however, that any acquisition that would constitute a Change in Control under this subsection (i) that is also a Business Combination shall be determined exclusively under subsection (iii) below; or
- (ii) Individuals who, as of the Board Approval Date, constitute the Board (the “Incumbent Directors”) cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the Board Approval Date, whose election, or nomination for election by the Company’s stockholders, was approved by a vote of at least a majority of the Incumbent Directors at such time shall become an Incumbent Director, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board; or
- (iii) Consummation of a reorganization, merger, consolidation, sale or other disposition of all or substantially all of the assets of the Company, the purchase of assets or stock of another entity, or other similar corporate transaction (a “Business Combination”), in each case, unless immediately following such Business Combination, (A) more than 50% of the Resulting Voting Power shall reside in Outstanding Company Voting Securities retained by the Company’s stockholders in the Business Combination and/or voting securities received by such stockholders in the Business Combination on account of Outstanding Company Voting Securities, and (B) at least a majority of the members of the board of directors (or equivalent governing body, if applicable) of the entity resulting from such Business Combination were Incumbent Directors at the time of the initial agreement, or action of the Board, providing for such Business Combination; or
- (iv) Consummation of a complete liquidation or dissolution of the Company.

(c) For purposes of this Section 9, “Good Reason” means (i) “Good Reason” as defined in any Individual Agreement or Award Agreement to which the applicable Participant is a party, or (ii) if there is no such Individual Agreement or if it does not define Good Reason, without the Participant’s prior written consent: (A) a material reduction in the Participant’s rate of annual base salary from the rate of annual base salary in effect for such Participant immediately prior to the Change in Control, (B) a relocation of the Participant’s principal place of business more than 35 miles from the city in which such Participant’s principal place of business was located immediately prior to the Change in Control or (C) a material and demonstrable adverse change in the nature and scope of the Participant’s duties from those in effect immediately prior to the Change in Control. In order to invoke a Termination of Employment for Good Reason, a Participant shall provide written notice to the Company of the existence of one or more of the conditions described in clauses (A) through (C) within 90 days following the Participant’s knowledge of the initial existence of such condition or conditions, and the Company shall have 30 days following receipt of such written notice (the “Cure Period”) during which it may remedy the condition. In the event that the Company fails to remedy the condition constituting Good Reason during the Cure Period, the Participant must terminate employment, if at all, within 90 days following the Cure Period in order for such Termination of Employment to constitute a Termination of Employment for Good Reason.

(d) Notwithstanding the foregoing, if any Award is subject to Section 409A of the Code, this Section 9 shall be applicable only to the extent specifically provided in the Award Agreement and as permitted pursuant to Section 13(k).

Section 10. Section 16(b) of the Exchange Act

(a) The provisions of this Plan are intended to ensure that no transaction under the Plan is subject to (and not exempt from) the short-swing recovery rules of Section 16(b) of the Exchange Act (“*Section 16(b)*”). Accordingly, the composition of the Committee shall be subject to such limitations as the Board deems appropriate to permit transactions pursuant to this Plan to be exempt (pursuant to Rule 16b-3 promulgated under the Exchange Act) from Section 16(b), and no delegation of authority by the Committee shall be permitted if such delegation would cause any such transaction to be subject to (and not exempt from) Section 16(b).

Section 11. Term, Amendment and Termination

(a) *Effectiveness*. The Plan was originally effective as of the *Effective Date* although the terms of the Sixth Plan Restatement only will become effective upon its approval by the Company’s stockholders.

(b) *Termination*. The Plan will terminate on April 25, 2027 and may be terminated on any earlier date pursuant to Section 11(c). Awards outstanding as of such termination date shall not be affected or impaired by the termination of the Plan.

(c) *Amendment of Plan*. The Board may amend, alter, or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which would materially impair the rights of the Participant with respect to a previously granted Award without such Participant’s consent, except such an amendment made to comply with applicable law, including without limitation Section 409A of the Code, stock exchange rules or accounting rules. In addition, no such amendment shall be made without the approval of the Company’s stockholders to the extent such approval is required by applicable law or the listing standards of the Applicable Exchange.

(d) *Amendment of Awards*. Subject to Section 5(d), the Committee may unilaterally amend the terms of any Award theretofore granted, but no such amendment shall without the Participant’s consent materially impair the rights of any Participant with respect to an Award, except such an amendment made to cause the Plan or Award to comply with applicable law, stock exchange rules or accounting rules.

Section 12. Unfunded Status of Plan

It is presently intended that the Plan constitute an “unfunded” plan for incentive and deferred compensation. Solely to the extent permitted under Section 409A, the Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Common Stock or make payments; *provided, however*, that the existence of such trusts or other arrangements is consistent with the “unfunded” status of the Plan. Notwithstanding any other provision of this Plan to the contrary, with respect to any Award that constitutes a “nonqualified deferred compensation plan” within the meaning of Section 409A of the Code, no trust shall be funded with respect to any such Award if such funding would result in taxable income to the Participant by reason of Section 409A(b) of the Code and in no event shall any such trust assets at any time be located or transferred outside of the United States, within the meaning of Section 409A(b) of the Code.

Section 13. General Provisions

(a) *Conditions for Issuance*. The Committee may require each person purchasing or receiving Shares pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the Shares without a view to the distribution thereof. The certificates for such Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer. Notwithstanding any other provision of the Plan or agreements made pursuant thereto, the Company shall not be required to issue or deliver any certificate or certificates for Shares under the Plan prior to fulfillment of all of the following conditions: (i) listing or approval for listing upon notice of issuance, of such Shares on the Applicable Exchange; (ii) any registration or other qualification of such Shares of the Company under any state or federal law or regulation, or the maintaining in effect of any such registration or other

qualification which the Committee shall, in its absolute discretion upon the advice of counsel, deem necessary or advisable; and (iii) obtaining any other consent, approval, or permit from any state or federal governmental agency which the Committee shall, in its absolute discretion after receiving the advice of counsel, determine to be necessary or advisable.

(b) *Additional Compensation Arrangements.* Nothing contained in the Plan shall prevent the Company or any Subsidiary or Affiliate from adopting other or additional compensation arrangements for its employees.

(c) *No Contract of Employment.* The Plan shall not constitute a contract of employment, and adoption of the Plan shall not confer upon any employee any right to continued employment, nor shall it interfere in any way with the right of the Company or any Subsidiary or Affiliate to terminate the employment of any employee at any time.

(d) *Required Taxes.* No later than the date as of which an amount first becomes includible in the gross income of a Participant for federal, state, local or foreign income or employment or other tax purposes with respect to any Award under the Plan, such Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. If determined by the Company, withholding obligations may be settled with Common Stock, including Common Stock that is part of the Award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditional on such payment or arrangements, and the Company and its Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to such Participant. The Committee may establish such procedures as it deems appropriate, including making irrevocable elections, for the settlement of withholding obligations with Common Stock. To the extent necessary to avoid liability-classification of the Award (or other adverse accounting treatment) under applicable financial accounting rules, the amount of such tax withholding shall not exceed the maximum statutory federal, state or local income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined.

(e) *Limitation on Dividend Reinvestment and Dividend Equivalents.* Reinvestment of dividends in additional Restricted Stock at the time of any dividend payment, and the payment of Shares with respect to dividends to Participants holding Awards of Restricted Stock Units, shall only be permissible if sufficient Shares are available under Section 3 for such reinvestment or payment (taking into account then outstanding Awards). In the event that sufficient Shares are not available for such reinvestment or payment, such reinvestment or payment shall be made in the form of a grant of Restricted Stock Units equal in number to the Shares that would have been obtained by such payment or reinvestment, the terms of which Restricted Stock Units shall provide for settlement in cash and for dividend equivalent reinvestment in further Restricted Stock Units on the terms contemplated by this Section 13(e).

(f) *Designation of Death Beneficiary.* The Committee shall establish such procedures as it deems appropriate for a Participant to designate a beneficiary to whom any amounts payable in the event of such Participant's death are to be paid or by whom any rights of such eligible Individual, after such Participant's death, may be exercised.

(g) *Subsidiary Employees.* In the case of a grant of an Award to any employee of a Subsidiary of the Company, the Company may, if the Committee so directs, issue or transfer the Shares, if any, covered by the Award to the Subsidiary, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Subsidiary will transfer the Shares to the employee in accordance with the terms of the Award specified by the Committee pursuant to the provisions of the Plan. All Shares underlying Awards that are forfeited or canceled should revert to the Company.

(h) *Governing Law and Interpretation.* The Plan and (unless otherwise provided in the Award Agreement) all Awards made and actions taken thereunder shall be governed by and construed in accordance with the laws of the

State of Delaware, without reference to principles of conflict of laws. The captions of this Plan are not part of the provisions hereof and shall have no force or effect.

(i) *Non-Transferability.* Except as otherwise provided in Section 5(j) or by the Committee, Awards under the Plan are not transferable except by will or by laws of descent and distribution.

(j) *Foreign Employees and Foreign Law Considerations.* The Committee may grant Awards to Eligible Individuals who are foreign nationals, who are located outside the United States or who are not compensated from a payroll maintained in the United States, or who are otherwise subject to (or could cause the Company to be subject to) legal or regulatory provisions of countries or jurisdictions outside the United States, on such terms and conditions different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable to foster and promote achievement of the purposes of the Plan, and, in furtherance of such purposes, the Committee may make such modifications, amendments, procedures, or subplans as may be necessary or advisable to comply with such legal or regulatory provisions.

(k) *Section 409A of the Code.* It is the intention of the Company that no Award shall be “deferred compensation” subject to Section 409A of the Code, unless and to the extent that the Committee specifically determines otherwise as provided in this Section 13(k), and the Plan and the terms and conditions of all Awards shall be interpreted accordingly. Any payment made pursuant to any Award shall be considered a separate payment and not one of a series of payments for purposes of Section 409A of the Code. Notwithstanding any other provision of the Plan or an Award Agreement to the contrary, with respect to any Award that constitutes a “nonqualified deferred compensation plan” subject to Section 409A of the Code and if the Participant is a “specified employee” within the meaning of Section 409A of the Code, any payments (whether in cash, Shares or other property) to be made with respect to the Award on account of such Participant’s Termination of Employment shall be delayed if necessary until the earlier of (A) the first day of the seventh month following the Participant’s Termination of Employment and (B) the Participant’s death. Any such delayed payments shall be made without interest. In no event whatsoever shall the Company be liable for any additional tax, interest or penalties that may be imposed on a Participant by Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.

(l) *Suspension or Termination of Awards.* If at any time (including after a notice of exercise has been delivered) the Committee (or the Board), reasonably believes that a Participant has committed an act of Cause (which includes a failure to act), the Committee (or Board) may suspend the Participant’s right to exercise any Award (or vesting or settlement of any Award) pending a determination of whether there was in fact an act of Cause. If the Committee (or the Board) determines a Participant has committed an act of Cause, neither the Participant nor his or her estate shall be entitled to exercise any outstanding Award whatsoever and all of Participant’s outstanding Awards shall then terminate without consideration. Any determination by the Committee (or the Board) with respect to the foregoing shall be final, conclusive and binding on all interested parties.

(m) *Successor Provision.* Any reference to a statute, rule or regulation, or to a section of a statute, rule or regulation, is a reference to that statute, rule, regulation, or section as amended from time to time, both before and after the Board Approval Date and including any successor provisions.

(n) *Clawback Policy.* The Company may (i) cause the cancellation of any Award, (ii) require reimbursement of any Award by a Participant and (iii) effect any other right of recoupment of equity or other compensation provided under this Plan or otherwise in accordance with Company policies as may be adopted and/or modified from time to time by the Company and/or applicable law (each, a “Clawback Policy”). In addition, a Participant may be required to repay to the Company certain previously paid compensation, whether provided under this Plan or an Award Agreement or otherwise, in accordance with the Clawback Policy. By accepting an Award, a Participant is also agreeing to be bound by the Company’s Clawback Policy which may be amended from time to time by the Company in its discretion (including without limitation to comply with applicable laws or stock exchange requirements) and is

further agreeing that all of the Participant's Awards may be unilaterally amended by the Company to the extent needed to comply with the Clawback Policy.

Section 14. Execution. To record the approval of this Plan by the Board, the Company has caused its duly authorized officer to execute this Plan on behalf of the Company.

Re: Registration Statement on Form S-8

Ladies and Gentlemen:

You have requested our opinion with respect to certain matters in connection with the filing by LendingTree, Inc., a Delaware corporation (the "Company"), of a Registration Statement on Form S-8 (the "Registration Statement") under the Securities Act of 1933, as amended, with the Securities and Exchange Commission, covering 750,000 shares (the "Shares") of the Company's common stock, par value \$0.01 per share (the "Common Stock"), which may be issued pursuant to the Sixth Amended and Restated 2008 Stock and Annual Incentive Plan (the "Plan").

This opinion is being furnished in accordance with the requirements of Item 8 of Form S-8 and Item 601(b)(5)(i) of Regulation S-K.

In connection with this opinion, we have reviewed and relied upon the Registration Statement, the Company's Amended and Restated Certificate of Incorporation dated August 20, 2008, as amended by that certain Certificate of Amendment of Amended and Restated Certificate of Incorporation dated December 16, 2014 and effective January 1, 2015, and as in effect on the date hereof, the Company's Fourth Amended and Restated By-Laws effective November 14, 2017 and as in effect on the date hereof (the "By-Laws"), the proceedings taken by the Company with respect to the authorization and adoption of the Plan, resolutions adopted by the board of directors of the Company, and such other documents, records, certificates, memoranda and other instruments as we deem necessary as a basis for this opinion. With respect to the foregoing documents, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to original of all documents submitted to us as certified or reproduced copies. We have also assumed that either (i) the stock certificates to be issued to represent the Shares (collectively, the "Stock Certificates") will conform to the specimen common stock certificate submitted to us, and such Stock Certificates will be duly executed by the Company and countersigned by the transfer agent therefor in accordance with Section 158 of the Delaware General Corporation Law ("Section 158"), or (ii) the Shares will be uncertificated in accordance with Section 158 and the By-Laws, and the transfer agent therefor will register the purchaser thereof as the registered owner of any uncertificated Shares on its stock transfer books and records. We have further assumed that (a) shares of the Common Stock currently reserved for issuance under the Plan will remain available for the issuance of the Shares, and (b) neither the Company's charter documents nor any of the proceedings relating to the Plan or any of the award agreements relating to the Shares, will be rescinded, amended or otherwise modified prior to the issuance of the Shares. We have also obtained from public officials and officers of the Company certificates or comparable documents as to certain factual matters and, insofar as this opinion is based on matters of fact, we have relied on such certificates and comparable documents without independent investigation. We have made such other investigations as we have deemed relevant and necessary in connection with the opinions hereinafter set forth.

On the basis of the foregoing, and in reliance thereon, we are of the opinion that the Shares, when issued and sold in the manner referred to in the Plan and pursuant to the agreements that accompany the Plan, will be legally and validly issued, fully paid and nonassessable.

We consent to the filing of this opinion letter as Exhibit 5.1 to the Registration Statement.

We express no opinion as to matters governed by any laws other than the Delaware General Corporation Law.

Our opinion is expressly limited to the matters set forth above, and we render no opinion, whether by implication or otherwise, as to any other matters relating to the Company, the Shares, the Plan, the award agreements related to the Shares, or the Registration Statement.

Respectfully submitted,
