Explanation of Responses:

- On September 5, 2003, the reporting person entered into a joint variable prepaid forward contract with a financial institution covering certain shares of IAC/Interactive Corp, which contract settled on September 5, 2008. As a result of certain spin-off transactions, at settlement, the contract covered a basket of securities including 2,750 shares of Tree.com Common Stock. The reporting person was obligated to deliver all of these shares (or, at his option, an equivalent cash payment) at settlement because the aggregate settlement prices of the securities comprising the basket at maturity were less than the downside floor price specified in the contract.
- On September 5, 2003, the reporting person's spouse entered into a joint variable prepaid forward contract with a financial institution covering certain shares of IAC/Interactive Corp, which contract settled on September 5, 2008. As a result of certain spin-off transactions, at settlement, the contract covered a basket of securities including 790 shares of Tree.com Common Stock. The reporting person's spouse was obligated to deliver all of these shares (or, at her option, an equivalent cash payment) at settlement because the aggregate settlement prices of the securities comprising the basket at maturity were less than the downside floor price specified in the contract. The reporting person disclaims beneficial ownership of these shares.
