LendingTree, Inc.

(Exact name of Registrant as specified in its charter)

Delaware

(State or other jurisdiction of incorporation or organization)

26-2414818

(I.R.S. Employer Identification No.)

11115 Rushmore Drive, Charlotte, North Carolina 28277

(Address of principal executive offices)(Zip Code)

(704) 541-5351

(Registrant's telephone number, including area code)

Securities registered pursuant to Section 12(b) of the Act:

<u>Title of each class</u>	<u>Trading Symbol(s)</u>	<u>Name of each exchange on which registered</u>
Common Stock, \$0.01 par value per share	TREE	The Nasdaq Stock Market LLC

Indicate by check mark whether the registrant (1) has filed all reports required to be filed by Section 13 or 15(d) of the Securities Exchange Act of 1934 during the preceding 12 months (or for such shorter period that the registrant was required to file such reports), and (2) has been subject to such filing requirements for the past 90 days. Yes No

Indicate by check mark whether the registrant has submitted electronically every Interactive Data File required to be submitted pursuant to Rule 405 of Regulation S-T (§232.405 of this chapter) during the preceding 12 months (or for such shorter period that the registrant was required to submit such files). Yes No

Indicate by check mark whether the registrant is a large accelerated filer, an accelerated filer, a non-accelerated filer, a smaller reporting company, or an emerging growth company. See the definitions of "large accelerated filer," "accelerated filer," "smaller reporting company," and "emerging growth company" in Rule 12b-2 of the Exchange Act.

Large accelerated filer

Accelerated filer

Non-accelerated filer

Smaller reporting company

Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Indicate by check mark whether the registrant is a shell company (as defined in Rule 12b-2 of the Exchange Act). Yes No

As of October 21, 2019, there were 12,999,152 shares of the registrant's common stock, par value \$.01 per share, outstanding, excluding treasury shares.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

NOTE 1—ORGANIZATION

Company Overview

LendingTree, Inc. is the parent of LendingTree, LLC and several companies owned by LendingTree, LLC (collectively, "LendingTree" or the "Company").

LendingTree operates what it believes to be the leading online consumer platform that connects consumers with the choices they need to be confident in their financial decisions. The Company offers consumers tools and resources, including free credit scores, that facilitate comparison-shopping for mortgage loans, home equity loans and lines of credit, reverse mortgage loans, auto loans, credit cards, deposit accounts, personal loans, student loans, small business loans, insurance quotes and other related offerings. The Company primarily seeks to match in-market consumers with multiple providers on its marketplace who can provide them with competing quotes for loans, deposit products, insurance or other related offerings they are seeking. The Company also serves as a valued partner to lenders and other providers seeking an efficient, scalable and flexible source of customer acquisition with directly measurable benefits, by matching the consumer inquiries it generates with these providers.

The consolidated financial statements include the accounts of LendingTree and all its wholly-owned entities, except Home Loan Center, Inc. ("HLC") subsequent to its bankruptcy filing on July 21, 2019 which resulted in the Company's loss of a controlling interest in HLC under applicable accounting standards. Intercompany transactions and accounts have been eliminated.

Discontinued Operations

The LendingTree Loans business, which consisted of originating various consumer mortgage loans through HLC (the "LendingTree Loans Business"), is presented as discontinued operations in the accompanying consolidated balance sheets, consolidated statements of operations and comprehensive income and consolidated cash flows for all periods presented. The notes accompanying these consolidated financial statements reflect the Company's continuing operations and, unless otherwise noted, exclude information related to the discontinued operations. See Note 17—Discontinued Operations for additional information.

Basis of Presentation

The accompanying unaudited interim consolidated financial statements as of September 30, 2019 and for the three and nine months ended September 30, 2019 and 2018, respectively, have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") for interim financial information and pursuant to the rules and regulations of the U.S. Securities and Exchange Commission ("SEC"). In the opinion of management, the unaudited interim consolidated financial statements have been prepared on the same basis as the audited financial statements, and include all adjustments, consisting only of normal recurring adjustments, necessary for the fair statement of the Company's financial position for the periods presented. The results for the three and nine months ended September 30, 2019 are not necessarily indicative of the results to be expected for the year ending December 31, 2019, or any other period. The accompanying consolidated balance sheet as of December 31, 2018 was derived from audited financial statements included in the Company's annual report on Form 10-K for the year ended December 31, 2018 (the "2018 Annual Report"). The accompanying consolidated financial statements do not include all of the information and footnotes required by GAAP for annual financial statements. Accordingly, they should be read in conjunction with the audited financial statements and notes thereto included in the 2018 Annual Report.

NOTE 2—SIGNIFICANT ACCOUNTING POLICIES

Accounting Estimates

Management is required to make certain estimates and assumptions during the preparation of the consolidated financial statements in accordance with GAAP. These estimates and assumptions impact the reported amount of assets and liabilities and disclosures of contingent assets and liabilities as of the date of the consolidated financial statements. They also impact the reported amount of net earnings during any period. Actual results could differ from those estimates.

Significant estimates underlying the accompanying consolidated financial statements, including discontinued operations, include: loan loss obligations; the recoverability of long-lived assets, goodwill and intangible assets; the determination of income taxes payable and deferred income taxes, including related valuation allowances; fair value of assets acquired in a business

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

combination; contingent consideration related to business combinations; litigation accruals; HLC ownership related claims; contract assets; various other allowances, reserves and accruals; and assumptions related to the determination of stock-based compensation.

Certain Risks and Concentrations

LendingTree's business is subject to certain risks and concentrations including dependence on third-party technology providers, exposure to risks associated with online commerce security and credit card fraud.

Financial instruments, which potentially subject the Company to concentration of credit risk at September 30, 2019, consist primarily of cash and cash equivalents and accounts receivable, as disclosed in the consolidated balance sheet. Cash and cash equivalents are in excess of Federal Deposit Insurance Corporation insurance limits, but are maintained with quality financial institutions of high credit. The Company generally requires certain Network Partners to maintain security deposits with the Company, which in the event of non-payment, would be applied against any accounts receivable outstanding.

Due to the nature of the mortgage lending industry, interest rate fluctuations may negatively impact future revenue from the Company's marketplace.

Lenders and lead purchasers participating on the Company's marketplace can offer their products directly to consumers through brokers, mass marketing campaigns or through other traditional methods of credit distribution. These lenders and lead purchasers can also offer their products online, either directly to prospective borrowers, through one or more online competitors, or both. If a significant number of potential consumers are able to obtain loans and other products from Network Partners without utilizing the Company's services, the Company's ability to generate revenue may be limited. Because the Company does not have exclusive relationships with the Network Partners whose loans and other financial products are offered on its online marketplace, consumers may obtain offers from these Network Partners without using its services.

Other than a support services office in India, the Company's operations are geographically limited to and dependent upon the economic condition of the United States.

Litigation Settlements and Contingencies

Litigation settlements and contingencies consists of expenses related to actual or anticipated litigation settlements.

Recent Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-15, which aligns the requirements for capitalizing implementation costs incurred in a hosting arrangement that is a service contract with the requirements for capitalizing implementation costs incurred to develop or obtain internal-use software (and hosting arrangements that include an internal-use software license). This ASU is effective for annual and interim reporting periods beginning after December 15, 2019. Early adoption is permitted, including adoption in any interim period. The amendments should be applied either retrospectively or prospectively to all implementation costs incurred after the date of adoption. The Company is evaluating the impact this ASU will have on its consolidated financial statements and will adopt ASU 2018-15 in the first quarter of 2020 using the prospective approach.

In August 2018, the FASB issued ASU 2018-13, which removes, modifies and adds certain disclosure requirements in Accounting Standards Codification ("ASC") Topic 820, Fair Value Measurement. This ASU is effective for annual and interim reporting periods beginning after December 15, 2019, with early adoption permitted. Entities are permitted to adopt any removed or modified disclosures and delay adoption of the additional disclosures until the effective date of the ASU. Certain amendments must be applied prospectively while others are to be applied on a retrospective basis to all periods presented. The Company is evaluating the impact this ASU will have on its consolidated financial statements and will adopt ASU 2018-13 in the first quarter of 2020.

In January 2017, the FASB issued ASU 2017-04, which eliminates the requirement to calculate the implied fair value of goodwill to measure a goodwill impairment charge (Step 2 of the goodwill impairment test). Instead, an impairment charge will be based on the excess of the carrying amount over the fair value. This ASU is effective for annual and interim impairment tests performed in periods beginning after December 15, 2019. Early adoption is permitted for annual and interim goodwill impairment testing dates after January 1, 2017. The Company is evaluating the impact this ASU will have on its consolidated financial statements and plans to adopt ASU 2017-04 in the first quarter of 2020.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

In June 2016, the FASB issued ASU 2016-13, which requires entities to measure expected credit losses for financial assets held at the reporting date based on historical experience, current conditions, and reasonable and supportable forecasts. This ASU introduces ASC Topic 326, Financial Instruments—Credit Losses, which replaces the existing incurred loss model and is applicable to financial assets measured at amortized cost, including trade receivables and certain other financial assets that have the contractual right to receive cash. This ASU is effective for annual and interim reporting periods beginning after December 15, 2019. Early adoption is permitted beginning after December 15, 2018, including adoption in interim periods. The guidance must be adopted using a modified retrospective transition. The Company is evaluating the impact this ASU will have on its consolidated financial statements and will adopt ASU 2016-13 in the first quarter of 2020.

In February 2016, the FASB issued ASU 2016-02 related to lease accounting guidance. This ASU introduces ASC Topic 842, Leases, which supersedes ASC Topic 840, Leases. In 2018 and 2019, the FASB issued final amendments clarifying certain narrow aspects of implementing ASU 2016-02, including clarifications related to the rate implicit in the lease, lessee reassessment of lease classification, lessor reassessment of lease term and purchase options, variable payments that depend on an index or rate, transition disclosures and certain other transition matters. The clarification ASUs also provided an optional transition method that allows entities to initially apply the lease accounting transition requirements at the adoption date and recognize a cumulative effect adjustment to the opening balance of retained earnings in the period of adoption without restating comparative prior periods presented. The clarification ASUs must be adopted concurrently with the adoption of ASU 2016-02 (collectively, "ASC Topic 842").

The Company has adopted ASC Topic 842 as of January 1, 2019 using the optional transition method to apply the new requirements at the adoption date without restating comparative prior periods presented. The adoption resulted in the increase in total assets and total liabilities of \$8.8 million as of January 1, 2019 related to operating leases greater than one year in duration for which the Company is the lessee, with no cumulative effect adjustment to the opening balance of accumulated deficit. As part of the transition, the Company has elected the package of practical expedients, which allows the Company to not reassess whether expired or existing contracts contain leases, lease classification for expired or existing leases, and initial direct costs for existing leases. Additionally, the Company has elected an accounting policy to not record short-term leases, which are leases with an initial term of twelve months or fewer, on the balance sheet.

NOTE 3—REVENUE

Revenue is as follows (*in thousands*):

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2019	2018	2019	2018
Revenue:				
Mortgage products	\$ 62,004	\$ 55,287	\$ 162,606	\$ 195,697
Non-mortgage products				
Credit cards	54,822	42,698	165,373	127,577
Personal loans	43,873	38,569	117,513	100,744
Insurance	74,849	14	213,882	40
Other	75,057	60,489	192,042	138,135
Total non-mortgage products	248,601	141,770	688,810	366,496
Total revenue	\$ 310,605	\$ 197,057	\$ 851,416	\$ 562,193

The Company derives its revenue primarily from match fees and closing fees. Revenue is recognized when performance obligations under the terms of a contract with a customer are satisfied and promised services have transferred to the customer. The Company's services are generally transferred to the customer at a point in time.

Revenue within the mortgage product category is primarily generated from upfront match fees paid by mortgage Network Partners that receive a loan request, and in some cases upfront fees for clicks or call transfers. Match fees and upfront fees for clicks and call transfers are earned through the delivery of loan requests that originated through the Company's websites or affiliates. The Company recognizes revenue at the time a loan request is delivered to the customer, provided that no significant obligations

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

remain. The Company's contractual right to the match fee consideration is contemporaneous with the satisfaction of the performance obligation to deliver a loan request to the customer.

In addition to match and other upfront fees, revenue within the non-mortgage product category is also generated from closing fees and approval fees. Closing fees are derived from lenders on certain auto loans, business loans, personal loans and student loans when the lender funds a loan with the consumer. Approval fees are derived from credit card issuers when the credit card consumer receives card approval from the credit card issuer. The Company recognizes revenue on closing fees and approval fees at the point when a loan request or a credit card consumer is delivered to the customer. The Company's contractual right to closing fees and approval fees is not contemporaneous with the satisfaction of the performance obligation to deliver a loan request or a credit card consumer to the customer. As such, the Company records a contract asset at each reporting period-end related to the estimated variable consideration on closing fees and approval fees for which the Company has satisfied the related performance obligation, but are still pending the loan closing or credit card approval before the Company has a contractual right to payment. This estimate is based on the Company's historical closing rates and historical time between when a consumer request for a loan or credit card is delivered to the lender or card issuer and when the loan is closed by the lender or approved by the card issuer.

Revenue from the Company's insurance business is primarily generated from match fees, fees for website clicks or fees for calls. Match fees and upfront fees for clicks and call transfers are earned through the delivery of consumer requests that originated through the Company's websites or affiliates. The Company recognizes revenue at the time a consumer request is delivered to the customer, provided that no significant obligations remain. The Company's contractual right to the match fee consideration is contemporaneous with the satisfaction of the performance obligation to deliver a consumer request to the customer.

Upfront fees and subscription fees are derived from consumers in the Company's credit services business. Upfront fees paid by consumers are recognized as revenue over the estimated time the consumer will remain a customer and receive services. Subscription fees are recognized over the period a consumer is receiving services.

The contract asset recorded within prepaid and other current assets on the consolidated balance sheets related to estimated variable consideration was \$5.9 million and \$4.8 million on September 30, 2019 and December 31, 2018, respectively.

The contract liability recorded within accrued expenses and other current liabilities on the consolidated balance sheets related to upfront fees paid by consumers in the Company's credit services business was \$0.7 million and \$0.4 million at September 30, 2019 and December 31, 2018, respectively. During the first nine months of 2019, the Company recognized revenue of \$0.4 million that was included in the contract liability balance at December 31, 2018.

Revenue recognized in any reporting period includes estimated variable consideration for which the Company has satisfied the related performance obligations, but are still pending the occurrence or non-occurrence of a future event outside the Company's control (such as lenders providing loans to consumers or credit card approvals of consumers) before the Company has a contractual right to payment. The Company recognized an increase to such revenue from prior periods of \$0.9 million in the third quarter of 2019 and a decrease to such revenue from prior periods of \$0.1 million in the third quarter of 2018.

NOTE 4—CASH AND RESTRICTED CASH

Total cash, cash equivalents, restricted cash and restricted cash equivalents consist of the following *(in thousands)*:

Year ending December 31, 2023	8,602
Thereafter	41,764
Total intangible assets with definite lives, net	\$ 185,195

NOTE 6—ASSETS HELD FOR SALE

In December 2016, the Company acquired two office buildings in Charlotte, North Carolina for \$23.5 million in cash, which included \$0.1 million in acquisition-related costs which were capitalized. The buildings were acquired with the intent to use such buildings as the Company's corporate headquarters and rent any unused space.

In November 2018, the Company's Board of Directors approved a plan to sell the two office buildings. The properties were classified as current assets held for sale in the consolidated balance sheet for December 31, 2018. In February 2019, the Company agreed to sell these buildings to an unrelated third party, which agreement was amended in March 2019. The sale was finalized in the second quarter of 2019 for a sale price of \$24.4 million, and the Company incurred closing fees of \$0.3 million. The Company recognized a gain of \$2.7 million on the sale within general and administrative expense in the consolidated statement of operations and comprehensive income. The properties were associated with the Company's one reportable segment.

Property and equipment classified as held for sale at December 31, 2018 is as follows (*in thousands*):

	Amount
Land	\$ 5,818
Building	14,984

Accumulated amortization	(468)
Total intangible assets, net	\$ 493

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

NOTE 7—BUSINESS ACQUISITIONS*2019 Acquisition***ValuePenguin**

On January 10, 2019, the Company acquired Value Holding, Inc., the parent company of ValuePenguin Inc. ("ValuePenguin"), a personal finance website that offers consumers objective analysis on a variety of financial topics from insurance to credit cards. The Company made an upfront cash payment of \$106.1 million at the closing of the transaction, funded through \$90.0 million drawn on the Company's Revolving Credit Facility and the balance using cash on hand. The purchase price of \$106.2 million is comprised of the upfront cash payment of \$106.1 million and a \$0.1 million post-closing payment for working capital settlement.

The acquisition has been accounted for as a business combination. The preliminary allocation of purchase price to the assets acquired and liabilities assumed is as follows (in thousands):

	Preliminary Fair Value
Net working capital	\$ 2,811
Fixed assets	68
Intangible assets	31,600
Goodwill	71,430
Net noncurrent assets	323
Total purchase price	\$ 106,232

The Company primarily used the income approach for the valuation as appropriate, and used valuation inputs in these models and analyses that were based on market participant assumptions. Market participants are buyers and sellers unrelated to the Company and fair value is determined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction at the measurement date.

The acquired intangible assets are definite-lived assets consisting of developed technology, content and trademarks and tradenames. The estimated fair values of the developed technology were determined using cost replacement analysis, the content was determined using excess earnings analysis, and the trademarks and tradenames were determined using relief from royalty analysis. The fair value of the intangible assets with definite lives is as follows (*dollars in thousands*):

	Preliminary Fair Value	Weighted Average Amortization Life
Technology	\$ 4,200	3 years
Content	26,100	3 years
Trademarks and tradenames	1,300	5 years
Total intangible assets	\$ 31,600	3.1 years

As of September 30, 2019, the Company has not completed its determination of the final allocation of the purchase price to the assets and liabilities of the acquisition. The final allocation of purchase price is expected to be finalized in 2019. Any adjustment to the assets and liabilities assumed with the acquisition will adjust goodwill.

The Company recorded preliminary goodwill of \$71.4 million, which represents the excess of the purchase price over the estimated fair value of tangible and intangible assets acquired, net of the liabilities assumed. The goodwill is primarily attributable to ValuePenguin as a going concern, which represents the ability of the Company to earn a higher return on the collection of assets and business of ValuePenguin than if those assets and business were to be acquired and managed separately. The benefit of access to the workforce is an additional element of goodwill. The goodwill is recorded in the Company's one reportable segment. For income tax purposes, the Company accounted for the acquisition as an asset purchase which would indicate the goodwill will be tax deductible.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Subsequent to the acquisition date, the Company's consolidated results of operations include the results of the acquired ValuePenguin business. In the third quarter and first nine months of 2019, the Company's consolidated results of operations include revenue of \$5.3 million and \$16.2 million, respectively. In the first six months of 2019, net income from continuing operations attributable to the ValuePenguin business was \$3.1 million. Due to the integration of the ValuePenguin business subsequent to the acquisition, earnings of the acquired ValuePenguin business beginning in the third quarter of 2019 is impracticable to determine with sufficient accuracy. Acquisition-related costs were \$0.1 million in the first nine months of 2019 and are included in general and administrative expense on the consolidated statement of operations and comprehensive income.

2018 Acquisitions

QuoteWizard

On October 31, 2018, the Company acquired QuoteWizard.com, LLC ("QuoteWizard"), one of the largest insurance comparison marketplaces in the growing online insurance advertising market. QuoteWizard services clients by driving consumers to insurance companies' websites, providing leads to agents and carriers, as well as phone transfers of consumers into carrier call centers.

The Company paid \$299.9 million in initial cash consideration, funded through \$174.9 million of cash on hand and \$125.0 million drawn on the Revolving Credit Facility, and could make up to three additional earnout payments, each ranging from zero to \$23.4 million, based on certain defined operating results during the earnout periods November 1, 2018 through October 31, 2019, November 1, 2019 through October 31, 2020, and November 1, 2020 through October 31, 2021. These additional payments, to the extent earned, will be payable in cash. The purchase price of \$313.4 million is comprised of the upfront cash payment of \$299.9 million, \$13.9 million for the estimated fair value of the earnout payments, and a \$0.4 million post-closing receipt for working capital settlement.

As of September 30, 2019, the estimated fair value of the contingent consideration totaled \$41.9 million, of which \$23.0 million is included in current contingent consideration and \$18.9 million is included in non-current contingent consideration in the accompanying consolidated balance sheet. The estimated fair value of the contingent consideration payments is determined using an option pricing model. The estimated value of the contingent consideration is based upon available information and certain assumptions, known at the time of this report, which management believes are reasonable. Any differences in the actual contingent consideration payments will be recorded in operating income in the consolidated statements of operations and comprehensive income. During the third quarter and first nine months of 2019, the Company recorded \$4.3 million and \$21.2 million, respectively, of contingent consideration expense in the consolidated statements of operations and comprehensive income due to the change in estimated fair value of the contingent consideration.

The acquisition has been accounted for as a business combination. The preliminary allocation of purchase price to the assets acquired and liabilities assumed is as follows (*in thousands*):

	Preliminary Fair Value
Net working capital	\$ 8,416
Fixed assets	1,509
Intangible assets	120,400
Goodwill	183,001
Other noncurrent assets	29
Total purchase price	\$ 313,355

The Company primarily used the income approach for the valuation as appropriate, and used valuation inputs in these models and analyses that were based on market participant assumptions. Market participants are buyers and sellers unrelated to the Company and fair value is determined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction at the measurement date.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

The acquired intangible assets are definite-lived assets consisting of developed technology, customer relationships, content and trademarks and tradenames. The estimated fair values of the developed technology were determined using excess earnings analysis, the customer relationships were determined using the distributor method, the content was determined using cost replacement analysis, and the trademarks and tradenames were determined using relief from royalty analysis. The fair value of the intangible assets with definite lives is as follows (*dollars in thousands*):

	Preliminary Fair Value	Weighted Average Amortization Life
Technology	\$ 68,900	4 years
Customer lists	42,700	14.7 years
Content	1,000	3 years
Trademarks and tradenames	7,800	5 years
Total intangible assets	\$ 120,400	7.9 years

As of September 30, 2019, the Company has not completed its determination of the final allocation of the purchase price to the assets and liabilities of the acquisition. The final allocation of purchase price will be finalized in 2019. Any adjustment to the assets and liabilities assumed with the acquisition will adjust goodwill.

The Company recorded preliminary goodwill of \$183.0 million, which represents the excess of the purchase price over the estimated fair value of tangible and intangible assets acquired, net of the liabilities assumed. The goodwill is primarily attributable to QuoteWizard as a going concern, which represents the ability of the Company to earn a higher return on the collection of assets and business of QuoteWizard than if those assets and business were to be acquired and managed separately. The benefit of access to the workforce is an additional element of goodwill. The goodwill is recorded in the Company's one reportable segment. For income tax purposes, the acquisition was an asset purchase and the goodwill will be tax deductible.

The unaudited pro forma financial results for the third quarter and first nine months of 2018 below combine the consolidated results of the Company and QuoteWizard, giving effect to the acquisition as if it had been completed on January 1, 2017. This unaudited pro forma financial information is presented for informational purposes only and is not indicative of future operations or results had the acquisition been completed as of January 1, 2017, or any other date.

The unaudited pro forma financial results include adjustments for additional amortization expense based on the fair value of the intangible assets with definite lives and their estimated useful lives, as well as changes in depreciation expense associated with the change in fair value of the property, plant and equipment recorded in relation to the acquisition. Interest expense was adjusted to eliminate historical interest associated with QuoteWizard's revolving credit facility and notes payable that were not assumed with the acquisition, as well as reflect incremental interest expense associated with debt issued to finance the acquisition. The provision for income taxes from continuing operations has also been adjusted to reflect taxes on the historical results of operations of QuoteWizard. QuoteWizard did not pay taxes at the entity level as it was a limited liability company whose members elected for it to be taxed as a partnership.

	Three Months Ended September 30, 2018	Nine Months Ended September 30, 2018
	<i>(in thousands)</i>	
Pro forma revenue	\$ 240,706	\$ 681,302
Pro forma net income from continuing operations	\$ 29,230	\$ 107,643

Acquisition-related costs incurred by the Company and QuoteWizard that are directly attributable to the acquisition, and which will not have an ongoing impact, have been eliminated from the unaudited pro forma net income from continuing operations for the third quarter and first nine months of 2018.

Ovation

On June 11, 2018, the Company acquired Ovation Credit Services, Inc., a leading provider of credit services with a strong customer service reputation. Ovation utilizes a proprietary software application that facilitates the credit repair process and is integrated directly with certain credit bureaus while educating consumers on credit improvement via ongoing outreach with Ovation case advisors. The proprietary software application offers consumers a simple, streamlined process to identify, dispute, and correct inaccuracies within their credit reports.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

The Company paid \$12.2 million in initial cash consideration and could make up to two additional earnout payments, each ranging from zero to \$4.4 million, based on certain defined operating metrics during the earnout periods July 1, 2018 through June 30, 2019 and July 1, 2019 through June 30, 2020. These additional payments, to the extent earned, will be payable in cash. The purchase price of \$17.9 million is comprised of the upfront cash payment of \$12.2 million, \$5.8 million for the estimated fair value of the earnout payments, and a \$0.1 million post-closing receipt for working capital settlement.

As of September 30, 2019, the estimated fair value of the contingent consideration totaled \$6.6 million, of which \$4.4 million is included in current contingent consideration and \$2.2 million is included in non-current contingent consideration in the accompanying consolidated balance sheet. The estimated fair value of the contingent consideration payments is determined using an option pricing model. The estimated value of the contingent consideration is based upon available information and certain assumptions, known at the time of this report, which management believes are reasonable. Any differences in the actual contingent consideration payments will be recorded in operating income in the consolidated statements of operations and comprehensive income. During the third quarter and first nine months of 2019, the Company recorded a gain of \$0.8 million in the consolidated statements of operations and comprehensive income due to the change in estimated fair value of the contingent consideration.

In October 2019, the Company paid \$4.4 million related to the earnout payment for the period of July 1, 2018 through June 30, 2019.

The acquisition has been accounted for as a business combination. In the second quarter of 2019, the Company completed the determination of the final allocation of purchase price to the assets acquired and liabilities assumed as follows (*in thousands*):

	Fair Value
Net working capital	\$ 303
Fixed assets	76
Intangible assets	8,900
Goodwill	11,280
Net deferred tax liabilities	(2,688)
Total purchase price	\$ 17,871

The Company primarily used the income approach for the valuation as appropriate, and used valuation inputs in these models and analyses that were based on market participant assumptions. Market participants are buyers and sellers unrelated to the Company and fair value is determined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction at the measurement date.

The acquired intangible assets are definite-lived assets consisting of developed technology, customer relationships and trademarks and tradenames. The estimated fair values of the developed technology were determined using excess earnings analysis, the customer relationships were determined using cost savings analysis and the trademarks and tradenames were determined using relief from royalty analysis. The fair value of the intangible assets with definite lives is as follows (*dollars in thousands*):

	Fair Value	Weighted Average Amortization Life
Technology	\$ 6,000	7 years
Customer lists	1,900	1 year
Trademarks and tradenames	1,000	4 years
Total intangible assets	\$ 8,900	5.4 years

The Company recorded goodwill of \$11.3 million, which represents the excess of the purchase price over the estimated fair value of tangible and intangible assets acquired, net of the liabilities assumed. The goodwill is primarily attributable to Ovation as a going concern, which represents the ability of the Company to earn a higher return on the collection of assets and business of Ovation than if those assets and business were to be acquired and managed separately. The benefit of access to the workforce is an additional element of goodwill. The goodwill is recorded in the Company's one reportable segment. For income tax purposes, the acquisition was an equity purchase and the goodwill will not be tax deductible.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Changes in Contingent Consideration

SnapCap

On September 19, 2017, the Company acquired certain assets of Snap Capital LLC, which does business under the name SnapCap (“SnapCap”). SnapCap, a tech-enabled online platform, connects business owners with lenders offering small business loans, lines of credit and merchant cash advance products through a concierge-based sales approach.

The Company paid \$11.9 million of initial cash consideration and could make up to three additional contingent consideration payments, each ranging from zero to \$3.0 million, based on certain defined operating results during the periods of October 1, 2017 through September 30, 2018, October 1, 2018 through September 30, 2019 and October 1, 2019 through March 31, 2020. These additional payments, to the extent earned, will be payable in cash.

In the first quarter of 2019, the Company paid \$3.0 million related to the earnout payment for the period of October 1, 2017 through September 30, 2018, which is included within cash flows from financing activities on the consolidated statement of cash flows.

As of September 30, 2019, the estimated fair value of the contingent consideration totaled \$5.5 million, which is included in current contingent consideration in the accompanying consolidated balance sheet. The estimated fair value of the contingent consideration payments is determined using an option pricing model. The estimated value of the contingent consideration is based upon available information and certain assumptions, known at the time of this report, which management believes are reasonable. Any differences in the actual contingent consideration payments will be recorded in operating income in the consolidated statements of operations and comprehensive income. During the third quarter and first nine months of 2019, the Company recorded contingent consideration expense of \$0.3 million and \$1.8 million, respectively, in the consolidated statements of operations and comprehensive income due to the change in estimated fair value of the contingent consideration.

DepositAccounts

On June 14, 2017, the Company acquired substantially all of the assets of Deposits Online, LLC, which does business under the name DepositAccounts.com (“DepositAccounts”). DepositAccounts is a leading consumer-facing media property in the depository industry and is one of the most comprehensive sources of depository deals and analysis on the Internet, covering all major deposit product categories through editorial content, programmatic rate tables and user-generated content.

The Company paid \$24.0 million of initial cash consideration and could make additional contingent consideration payments of up to \$9.0 million. The potential contingent consideration payments are comprised of (i) up to seven payments of \$1.0 million each based on specified increases in Federal Funds interest rates during the period commencing on the closing date and ending on June 30, 2020 and (ii) a one-time performance payment of up to \$2.0 million based on the net revenue of deposit products during the period of January 1, 2018 through December 31, 2018. These additional payments, to the extent earned, will be payable in cash.

In the third quarter of 2017, the Company made a payment of \$1.0 million associated with a specified increase in the Federal Funds rate in June 2017. In each of the four quarters of 2018, the Company paid \$1.0 million associated with specified increases in the Federal Funds rate in December 2017, March 2018, June 2018 and September 2018, respectively. In the first quarter of 2019, the Company paid \$1.0 million associated with a specified increase in the Federal Funds rate in December 2018. In the second quarter of 2019, the Company paid \$2.0 million associated with the one-time performance payment based on the net revenue of deposit products during the period of January 1, 2018 through December 31, 2018. The contingent consideration paid in the first nine months of 2019 is included within cash flows from operating activities on the consolidated statement of cash flows.

The estimated fair value of the portion of the contingent consideration payments based on increases in interest rates is determined using a scenario approach based on the interest rate forecasts of Federal Open Market Committee participants. The estimated value of the contingent consideration is based upon available information and certain assumptions, known at the time of this report, which management believes are reasonable. Any differences in the actual contingent consideration payments will be recorded in operating income in the consolidated statements of operations and comprehensive income. As of September 30, 2019, no liability has been recorded in the accompanying consolidated balance sheet for the remaining contingent consideration payment based on Federal Funds interest rates. Accordingly, during the first nine months of 2019, the Company recorded a gain of \$1.0 million in the consolidated statement of operations and comprehensive income due to the change in estimated fair value of the contingent consideration.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Pro forma Financial Results

The unaudited pro forma financial results for the first nine months of 2019 and the third quarter and first nine months of 2018 combine the consolidated results of the Company and Ovation, Student Loan Hero, Inc. (“Student Loan Hero”), QuoteWizard and ValuePenguin, giving effect to the acquisitions as if the Ovation, Student Loan Hero and QuoteWizard acquisitions had been completed on January 1, 2017, and as if the ValuePenguin acquisition had been completed on January 1, 2018. This unaudited pro forma financial information is presented for informational purposes only and is not indicative of future operations or results had the acquisitions been completed as of January 1, 2017 or 2018, or any other date.

The unaudited pro forma financial results include adjustments for additional amortization expense based on the fair value of the intangible assets with definite lives and their estimated useful lives. Depreciation expense and interest expense were adjusted for the impact of the QuoteWizard acquisition, as described above. Interest expense was also adjusted to reflect incremental interest associated with debt issued to finance the ValuePenguin acquisition. The provision for income taxes from continuing operations has been adjusted to reflect taxes on the historical results of operations of QuoteWizard. QuoteWizard did not pay taxes at the entity level as it was a limited liability company whose members elected for it to be taxed as a partnership.

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2018		2019	2018
	<i>(in thousands)</i>			
Pro forma revenue	\$	246,432	\$	851,931
			\$	710,580
Pro forma net income from continuing operations	\$	29,616	\$	37,721
			\$	109,511

The unaudited pro forma net income from continuing operations in the first nine months of 2019 includes the aggregate after-tax contingent consideration expense associated with the DepositAccounts, SnapCap, Ovation and QuoteWizard earnouts of \$15.7 million. The unaudited pro forma net income from continuing operations in the third quarter and first nine months of 2018 includes the aggregate after-tax contingent consideration expense associated with the DepositAccounts, SnapCap and Ovation earnouts of \$1.5 million and \$0.4 million, respectively.

The unaudited pro forma net income from continuing operations for the first nine months of 2018 has been adjusted to include acquisition-related costs of \$0.6 million incurred by the Company that are directly attributable to the ValuePenguin acquisition, and which will not have an ongoing impact. Accordingly, such acquisition-related costs have been eliminated from the unaudited pro forma net income from continuing operations for the first nine months of 2019. Acquisition-related costs incurred by the Company, Student Loan Hero and QuoteWizard that are directly attributable to the Ovation, Student Loan Hero and QuoteWizard acquisitions, and which will not have an ongoing impact, have been eliminated from the unaudited pro forma net income from continuing operations for the third quarter and first nine months of 2018.

NOTE 8—ACCRUED EXPENSES AND OTHER CURRENT LIABILITIES

Accrued expenses and other current liabilities consist of the following *(in thousands)*:

	September 30, 2019	December 31, 2018
Accrued advertising expense	\$ 61,680	\$ 60,268
Accrued compensation and benefits	11,532	6,381
Accrued professional fees	1,322	2,549
Customer deposits and escrows	7,160	6,913
Contribution to LendingTree Foundation	3,333	3,333
Current lease liabilities	6,750	—
Other	17,841	13,746
Total accrued expenses and other current liabilities	\$ 109,618	\$ 93,190

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

NOTE 9—LEASES

The Company is a lessee to leases of corporate offices and certain office equipment. The majority of leases for corporate offices include one or more options to renew, with renewal terms ranging from two to five years. These renewal options have not been included in the calculation of right-of-use assets and lease liabilities, as the Company is not reasonably certain of the exercise of these renewal options. The Company used its incremental borrowing rate to calculate the right-of-use asset and lease liability for each lease.

As of September 30, 2019, right-of use assets totaling \$27.0 million are included in other non-current assets and lease liabilities totaling \$30.2 million are included in accrued expenses and other current liabilities and other non-current liabilities in the accompanying balance sheet.

During the second quarter of 2019, the Company recognized an impairment loss of \$0.5 million within general and administrative expense on the consolidated statements of operations and comprehensive income, for the right-of-use asset related to an office lease. The Company vacated the office space in the second quarter of 2019 and adjusted the right-of-use asset to its fair value based on estimated sublease income.

Lease expense, which is included in general and administrative expense on the accompanying consolidated statements of operations and comprehensive income, consists of the following (*in thousands*):

	Three Months Ended September 30, 2019	Nine Months Ended September 30, 2019
Operating lease cost	\$ 1,765	\$ 4,495
Short-term lease cost	21	69
Total lease cost	\$ 1,786	\$ 4,564

Weighted average remaining lease term and discount rate for operating leases are as follows:

	September 30, 2019
Weighted average remaining lease term	5.2 years
Weighted average discount rate	4.7%

Supplemental cash flow information related to leases is as follows (*in thousands*):

	Nine Months Ended September 30, 2019
Cash paid for amounts included in the measurement of lease liabilities:	
Operating cash flows from operating leases	\$ 4,191
Right-of-use assets obtained in exchange for new operating lease liabilities	\$ 21,912

Maturities of lease liabilities as of September 30, 2019 are as follows (*in thousands*):

	Operating Leases
Remainder of current year	\$ 1,977
Year ending December 31, 2020	8,066
Year ending December 31, 2021	6,032
Year ending December 31, 2022	5,495
Year ending December 31, 2023	5,191
Thereafter	7,287
Total lease payments	34,048
Less: Interest	3,887
Present value of lease liabilities	\$ 30,161

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Future minimum payments as of December 31, 2018 under operating lease agreements having an initial or remaining non-cancelable lease term in excess of one year are as follows (*in thousands*):

	Amount
Year ending December 31, 2019	\$ 4,406
Year ending December 31, 2020	3,188
Year ending December 31, 2021	1,094
Year ending December 31, 2022	736
Year ending December 31, 2023	228
Total	\$ 9,652

The Company operated as a lessor in connection with the office buildings in Charlotte, North Carolina acquired in December 2016. The properties were sold in the second quarter of 2019 to an unrelated third party. *See* Note 6—Assets Held for Sale for further information.

Rental income of \$0.3 million in the first nine months of 2019, and \$0.2 million and \$0.7 million in the third quarter and first nine months of 2018, respectively, is included in other income on the accompanying consolidated statements of operations and comprehensive income.

NOTE 10—SHAREHOLDERS' EQUITY

Basic and diluted income per share was determined based on the following share data (*in thousands*):

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2019	2018	2019	2018
Weighted average basic common shares	12,890	12,799	12,805	12,437
Effect of stock options	726	758	760	1,160
Effect of dilutive share awards	136	110	176	167
Effect of Convertible Senior Notes and warrants	880	183	888	535
Weighted average diluted common shares	14,632	13,850	14,629	14,299

For each of the three and nine months ended September 30, 2019, the weighted average shares that were anti-dilutive, and therefore excluded from the calculation of diluted income per share, included options to purchase 0.1 million shares of common stock. For the three months ended September 30, 2018, the weighted average shares that were anti-dilutive included options to purchase 0.5 million shares of common stock and 0.1 million restricted stock units. For the nine months ended September 30, 2018, the weighted average shares that were anti-dilutive included options to purchase 0.4 million shares of common stock.

The 0.625% Convertible Senior Notes due June 1, 2022 and the warrants issued by the Company in 2017 could be converted into the Company's common stock, subject to certain contingencies. *See* Note 13—Debt for additional information.

Shares of the Company's common stock associated with the warrants were excluded from the calculation of diluted income per share for the three months ended September 30, 2018 as they were anti-dilutive since the strike price of the warrants was greater than the average market price of the Company's common stock during the period.

Common Stock Repurchases

In each of February 2018 and February 2019, the board of directors authorized and the Company announced the repurchase of up to \$100.0 million and \$150.0 million, respectively, of LendingTree's common stock. During the first nine months of 2019 and 2018, the Company purchased 18,580 and 205,310 shares, respectively, of its common stock for aggregate consideration of \$4.3 million and \$57.2 million, respectively. At September 30, 2019, approximately \$180.9 million of the previous authorizations to repurchase common stock remain available.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

NOTE 11—STOCK-BASED COMPENSATION

Non-cash compensation related to equity awards is included in the following line items in the accompanying consolidated statements of operations and comprehensive income (in thousands):

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2019	2018	2019	2018
Cost of revenue	\$ 208	\$ 123	\$ 558	\$ 260
Selling and marketing expense	835	1,577	4,867	4,511
General and administrative expense	8,627	8,388	30,534	25,617
Product development	1,127	2,009	4,873	3,996
Total non-cash compensation	\$ 10,797	\$ 12,097	\$ 40,832	\$ 34,384

Stock Options

A summary of changes in outstanding stock options is as follows:

	Number of Options	Weighted Average Exercise Price <i>(per option)</i>	Weighted Average Remaining Contractual Term <i>(in years)</i>	Aggregate Intrinsic Value ^(a) <i>(in thousands)</i>
Options outstanding at January 1, 2019	940,533	\$ 65.12		
Granted ^(b)	42,417	321.93		
Exercised	(135,992)	43.39		
Forfeited	(38,451)	318.79		
Expired	—	—		
Options outstanding at September 30, 2019	808,507	70.18	4.49	\$ 195,171
Options exercisable at September 30, 2019	683,824	\$ 38.08	3.75	\$ 186,663

- (a) The aggregate intrinsic value represents the total pre-tax intrinsic value (the difference between the Company's closing stock price of \$310.43 on the last trading day of the quarter ended September 30, 2019 and the exercise price, multiplied by the number of shares covered by in-the-money options) that would have been received by the option holder had the option holder exercised these options on September 30, 2019. The intrinsic value changes based on the market value of the Company's common stock.
- (b) During the nine months ended September 30, 2019, the Company granted stock options to certain employees and members of the board of directors with a weighted average grant date fair value per share of \$166.22, calculated using the Black-Scholes option pricing model, which vesting periods include (a) immediate vesting on grant date, (b) one year from grant date, (c) three years from grant date and (d) four years from grant date.

For purposes of determining stock-based compensation expense, the weighted average grant date fair value per share of the stock options was estimated using the Black-Scholes option pricing model, which requires the use of various key assumptions. The weighted average assumptions used are as follows:

Expected term ⁽¹⁾	5.00 - 6.25 years
Expected dividend ⁽²⁾	—
Expected volatility ⁽³⁾	51 - 55%
Risk-free interest rate ⁽⁴⁾	1.46% - 2.55%

- (1) The expected term of stock options granted was calculated using the "Simplified Method," which utilizes the midpoint between the weighted average time of vesting and the end of the contractual term. This method was utilized for the stock options due to a lack of historical exercise behavior by the Company's employees.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

- (2) For all stock options granted in 2019, no dividends are expected to be paid over the contractual term of the stock options, resulting in a zero expected dividend rate.
- (3) The expected volatility rate is based on the historical volatility of the Company's common stock.
- (4) The risk-free interest rate is specific to the date of grant. The risk-free interest rate is based on U.S. Treasury yields for notes with comparable expected terms as the awards, in effect at the grant date.

Stock Options with Performance Conditions

A summary of changes in outstanding stock options with performance conditions is as follows:

	Number of Options with Performance Conditions	Weighted Average Exercise Price <i>(per option)</i>	Weighted Average Remaining Contractual Term <i>(in years)</i>	Aggregate Intrinsic Value ^(a) <i>(in thousands)</i>
Options outstanding at January 1, 2019	37,877	\$ 308.90		
Granted	—	—		
Exercised	—	—		
Forfeited	—	—		
Expired	(11,876)	308.90		
Options outstanding at September 30, 2019	26,001	308.90	0.83	\$ 40
Options exercisable at September 30, 2019	—	\$ —	0.00	\$ —

- (a) The aggregate intrinsic value represents the total pre-tax intrinsic value (the difference between the Company's closing stock price of \$310.43 on the last trading day of the quarter ended September 30, 2019 and the exercise price, multiplied by the number of shares covered by in-the-money options) that would have been received by the option holder had the option holder exercised these options on September 30, 2019. The intrinsic value changes based on the market value of the Company's common stock.

Stock Options with Market Conditions

A summary of changes in outstanding stock options with market conditions at target is as follows:

	Number of Options with Market Conditions	Weighted Average Exercise Price <i>(per option)</i>	Weighted Average Remaining Contractual Term <i>(in years)</i>	Aggregate Intrinsic Value ^(a) <i>(in thousands)</i>
Options outstanding at January 1, 2019	447,193	\$ 200.51		
Granted ^(b)	16,247	308.96		
Exercised	—	—		
Forfeited	—	—		
Expired	—	—		
Options outstanding at September 30, 2019	463,440	204.31	7.92	\$ 51,017
Options exercisable at September 30, 2019	—	\$ —	0.00	\$ —

- (a) The aggregate intrinsic value represents the total pre-tax intrinsic value (the difference between the Company's closing stock price of \$310.43 on the last trading day of the quarter ended September 30, 2019 and the exercise price, multiplied by the number of shares covered by in-the-money options) that would have been received by the option holder had the option holder exercised these options on September 30, 2019. The intrinsic value changes based on the market value of the Company's common stock.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

- (b) During the nine months ended September 30, 2019, the Company granted stock options with a grant date fair value per share of \$230.81, calculated using the Monte Carlo simulation model, which has a vesting date of March 31, 2023.

For purposes of determining stock-based compensation expense, the grant date fair value per share of the stock options was estimated using the Monte Carlo simulation model, which requires the use of various key assumptions. The assumptions used are as follows:

Expected term ⁽¹⁾	7.00 years
Expected dividend ⁽²⁾	—
Expected volatility ⁽³⁾	51%
Risk-free interest rate ⁽⁴⁾	2.54%

- (1) The expected term of stock options with a market condition granted was calculated using the midpoint between the time of vesting and the end of the contractual term.
- (2) For all stock options with a market condition granted in 2019, no dividends are expected to be paid over the contractual term of the stock options, resulting in a zero expected dividend rate.
- (3) The expected volatility rate is based on the historical volatility of the Company's common stock.
- (4) The risk-free interest rate is specific to the date of grant. The risk-free interest rate is based on U.S. Treasury yields for notes with comparable expected terms as the awards, in effect at the grant date.

A maximum of 773,945 shares may be earned for achieving superior performance up to 167% of the target number of shares. As of September 30, 2019, performance-based nonqualified stock options with a market condition of 481,669 had been earned, which have a vesting date of September 30, 2022.

Restricted Stock Units

A summary of changes in outstanding nonvested restricted stock units ("RSUs") is as follows:

	RSUs	
	Number of Units	Weighted Average Grant Date Fair Value <i>(per unit)</i>
Nonvested at January 1, 2019	201,568	\$ 225.48

Income tax (expense) benefit	\$ (1,889)	\$ 10,534	\$ 11,552	\$ 63,716

NOTE 13—DEBT

Convertible Senior Notes

On May 31, 2017, the Company issued \$300.0 million aggregate principal amount of its 0.625% Convertible Senior Notes due June 1, 2022 (the “Notes”) in a private placement. The Notes bear interest at a rate of 0.625% per year, payable semi-annually on June 1 and December 1 of each year, beginning on December 1, 2017. The Notes will mature on June 1, 2022, unless earlier repurchased or converted.

The initial conversion rate of the Notes is 4.8163 shares of Common Stock per \$1,000 principal amount of Notes (which is equivalent to an initial conversion price of approximately \$207.63 per share). The conversion rate will be subject to adjustment upon the occurrence of certain specified events but will not be adjusted for accrued and unpaid interest. In addition, upon the occurrence of a fundamental change prior to the maturity of the Notes, the Company will, in certain circumstances, increase the conversion rate by a specified number of additional shares for a holder that elects to convert the Notes in connection with such fundamental change. Upon conversion, the Notes will settle for cash, shares of the Company’s stock, or a combination thereof, at the Company’s option. It is the intent of the Company to settle the principal amount of the Notes in cash and any conversion premium in shares of its common stock.

The Notes are the Company’s senior unsecured obligations and will rank senior in right of payment to any of the Company’s indebtedness that is expressly subordinated in right of payment to the Notes; equal in right of payment to any of the Company’s unsecured indebtedness that is not so subordinated; effectively junior in right of payment to any of the Company’s secured indebtedness, including borrowings under the senior secured Revolving Credit Facility, described below, to the extent of the value of the assets securing such indebtedness; and structurally junior to all indebtedness and other liabilities (including trade payables) of the Company’s subsidiaries.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Prior to the close of business on the business day immediately preceding February 1, 2022, the Notes will be convertible at the option of the holders thereof only under the following circumstances:

- during any calendar quarter commencing after the calendar quarter ending on September 30, 2017 (and only during such calendar quarter), if the last reported sale price of the common stock for at least 20 trading days (whether or not consecutive) during the 30 consecutive trading day period ending on, and including the last trading day of the immediately preceding calendar quarter is greater than or equal to 130% of the conversion price on each applicable trading day;
- during the five business day period after any five consecutive trading day period in which, for each trading day of that period, the trading price (as defined in the Notes) per \$1,000 principal amount of Notes for such trading day was less than 98% of the product of the last reported sale price of the Common Stock and the conversion rate on each such trading day; or
- upon the occurrence of specified corporate events including but not limited to a fundamental change.

Holders of the Notes became entitled to convert the Notes on January 1, 2018, based on the last reported sales price of the Company's common stock, for at least 20 trading days (whether or not consecutive) during the period of 30 consecutive trading days ending on December 31, 2017, being greater than or equal to 130% of the conversion price of the Notes on each applicable trading day. Holders of the Notes continued to have such right until June 30, 2018, based on the last reported sales price of the Company's common stock, for at least 20 trading days (whether or not consecutive) during the period of 30 consecutive trading days ending on March 31, 2018, being greater than or equal to 130% of the conversion price of the Notes on each applicable trading day. Holders of the Notes were not entitled to convert the Notes from July 1, 2018 to March 31, 2019. Holders of the Notes became entitled to convert the Notes on April 1, 2019, based on the last reported sales price of the Company's common stock, for at least 20 trading days (whether or not consecutive) during the period of 30 consecutive trading days ending on March 31, 2019, being greater than or equal to 130% of the conversion price of the Notes on each applicable trading day. Holders of the Notes will continue to have such right until December 31, 2019, based on the last reported sales price of the Company's common stock, for at least 20 trading days (whether or not consecutive) during the period of 30 consecutive trading days ending on September 30, 2019, being greater than or equal to 130% of the conversion price of the Notes on each applicable trading day.

On or after February 1, 2022, until the close of business on the second scheduled trading day immediately preceding the maturity date of the Notes, holders of the Notes may convert all or a portion of their Notes regardless of the foregoing conditions.

The Company may not redeem the Notes prior to the maturity date and no sinking fund is provided for the Notes. Upon the occurrence of a fundamental change prior to the maturity date of the Notes, holders of the Notes may require the Company to repurchase all or a portion of the Notes for cash at a price equal to 100% of the principal amount of the Notes to be repurchased, plus any accrued and unpaid interest to, but excluding, the fundamental change repurchase date.

If the market price per share of the Common Stock, as measured under the terms of the Notes, exceeds the conversion price of the Notes, the Notes could have a dilutive effect, unless the Company elects, subject to certain conditions, to settle the principal amount of the Notes and any conversion premium in cash.

The initial measurement of convertible debt instruments that may be settled in cash is separated into a debt and equity component whereby the debt component is based on the fair value of a similar instrument that does not contain an equity conversion option. The separate components of debt and equity of the Company's Notes were determined using an interest rate of 5.36%, which reflects the nonconvertible debt borrowing rate of the Company at the date of issuance. As a result, the initial components of debt and equity were \$238.4 million and \$61.6 million, respectively.

Financing costs related to the issuance of the Notes were approximately \$9.3 million of which \$7.4 million were allocated to the liability component and are being amortized to interest expense over the term of the debt and \$1.9 million were allocated to the equity component.

In the first nine months of 2019, the Company recorded interest expense on the Notes of \$11.5 million which consisted of \$1.4 million associated with the 0.625% coupon rate, \$9.0 million associated with the accretion of the debt discount, and \$1.1 million associated with the amortization of the debt issuance costs. In the first nine months of 2018, the Company recorded interest expense on the Notes of \$10.9 million which consisted of \$1.4 million associated with the 0.625% coupon rate, \$8.5 million associated with the accretion of the debt discount, and \$1.0 million associated with the amortization of the debt issuance costs. The debt discount is being amortized over the term of the debt.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

As of September 30, 2019, the fair value of the Notes is estimated to be approximately \$482.7 million using the Level 1 observable input of the last quoted market price on September 30, 2019.

A summary of the gross carrying amount, unamortized debt cost, debt issuance costs and net carrying value of the liability component of the Notes is as follows (*in thousands*):

	September 30, 2019	December 31, 2018
Gross carrying amount	\$ 299,997	\$ 300,000
Unamortized debt discount	34,846	43,805
Debt issuance costs	4,178	5,252
Net carrying amount	\$ 260,973	\$ 250,943

Convertible Note Hedge and Warrant Transactions

On May 31, 2017, in connection with the issuance of the Notes, the Company entered into Convertible Note Hedge (the "Hedge") and Warrant transactions with respect to the Company's common stock. The Company used approximately \$18.1 million of the net proceeds from the Notes to pay for the cost of the Hedge, after such cost was partially offset by the proceeds from the Warrant transactions.

On May 31, 2017, the Company paid \$61.5 million to the counterparties for the Hedge transactions. The Hedge transactions cover approximately 1.4 million shares of the Company's common stock, the same number of shares initially underlying the Notes, and are exercisable upon any conversion of the Notes. The Hedge Transactions are expected generally to reduce the potential dilution to the Common Stock upon conversion of the Notes and/or offset any cash payments the Company is required to make in excess of the principal amount of the converted Notes, as the case may be, in the event that the market price per share of Common Stock, as measured under the terms of the Hedge transactions, is greater than the strike price of the Hedge transactions, which initially corresponds to the initial conversion price of the Notes, or approximately \$207.63 per share of Common Stock. The Hedge transactions will expire upon the maturity of the Notes.

On May 31, 2017, the Company sold to the counterparties, warrants (the "Warrants") to acquire 1.4 million shares of Common Stock at an initial strike price of \$266.39 per share, which represents a premium of 70% over the reported sale price of the Common Stock of \$156.70 on May 24, 2017. On May 31, 2017, the Company received aggregate proceeds of approximately \$43.4 million from the sale of the Warrants.

If the market price per share of the Common Stock, as measured under the terms of the Warrants, exceeds the strike price of the Warrants, the Warrants could have a dilutive effect, unless the Company elects, subject to certain conditions, to settle the Warrants in cash.

The Hedge and Warrant transactions are indexed to, and potentially settled in, the Company's common stock and the net cost of \$18.1 million has been recorded as a reduction to additional paid-in capital in the consolidated statement of shareholders' equity.

Senior Secured Revolving Credit Facility

On November 21, 2017, the Company's wholly-owned subsidiary, LendingTree, LLC, entered into an amended and restated \$250.0 million five-year senior secured revolving credit facility which matures on November 21, 2022 (the "Revolving Credit Facility"). Under certain conditions, the Company will be permitted to add one or more term loans and/or increase revolving commitments under the Revolving Credit Facility by an additional \$100.0 million or a greater amount provided that a total consolidated senior secured debt to EBITDA ratio does not exceed 2.50 to 1.00. On October 26, 2018, the Company amended the Revolving Credit Facility to increase the borrowing capacity by \$100.0 million to \$350.0 million. Pricing and other terms and conditions of the Revolving Credit Facility remain unchanged. Borrowings under the Revolving Credit Facility can be used to finance working capital needs, capital expenditures and general corporate purposes, including to finance permitted acquisitions. As of September 30, 2019, the Company had \$85.0 million in borrowings outstanding under the Revolving Credit Facility at the LIBO rate option with a weighted average interest rate of 3.55%, consisting of a \$50.0 million 31-day borrowing and a \$35.0 million 30-day borrowing. As of December 31, 2018, the Company had a \$125.0 million, 31-day borrowing outstanding under the Revolving Credit Facility bearing interest at the LIBO rate option of 4.02%.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Up to \$10.0 million of the Revolving Credit Facility will be available for short-term loans, referred to as swingline loans. Additionally, up to \$10.0 million of the Revolving Credit Facility will be available for the issuance of letters of credit.

The Company's borrowings under the Revolving Credit Facility bear interest at annual rates that, at the Company's option, will be either:

- a base rate generally defined as the sum of (i) the greater of (a) the prime rate of SunTrust Bank, (b) the federal funds effective rate plus 0.5% and (c) the LIBO rate (defined below) on a daily basis applicable for an interest period of one month plus 1.0% and (ii) an applicable percentage of 0.25% to 1.0% based on a total consolidated debt to EBITDA ratio; or
- a LIBO rate generally defined as the sum of (i) the rate for Eurodollar deposits in the applicable currency and (ii) an applicable percentage of 1.25% to 2.0% based on a total consolidated debt to EBITDA ratio.

All swingline loans bear interest at the base rate defined above. Interest on the Company's borrowings are payable quarterly in arrears for base rate loans and on the last day of each interest rate period (but not less often than three months) for LIBO rate loans.

The Revolving Credit Facility contains a restrictive financial covenant, which initially limits the total consolidated debt to EBITDA ratio to 4.5, with step downs to 4.0 over time, except that this may increase by 0.5 for the four fiscal quarters following a material acquisition. In addition, the Revolving Credit Facility contains customary affirmative and negative covenants in addition to events of default for a transaction of this type that, among other things, restrict additional indebtedness, liens, mergers or certain fundamental changes, asset dispositions, dividends, stock repurchases and other restricted payments, transactions with affiliates, sale-leaseback transactions, hedging transactions, loans and investments and other matters customarily restricted in such agreements. The Company was in compliance with all covenants at September 30, 2019.

The Revolving Credit Facility requires LendingTree, LLC to pledge as collateral, subject to certain customary exclusions, substantially all of its assets, including 100% of its equity in all of its domestic subsidiaries and 66% of the voting equity, and 100% of the non-voting equity, in all of its material foreign subsidiaries (of which there are currently none). The obligations under this facility are unconditionally guaranteed on a senior basis by LendingTree, Inc. and material domestic subsidiaries of LendingTree, LLC, which guaranties are secured by a pledge as collateral, subject to certain customary exclusions, of 100% of each such guarantor's assets, including 100% of each such guarantor's equity in all of its domestic subsidiaries and 66% of the voting equity, and 100% of the non-voting equity, in all of its material foreign subsidiaries (of which there are currently none).

The Company is required to pay an unused commitment fee quarterly in arrears on the difference between committed amounts and amounts actually borrowed under the Revolving Credit Facility equal to an applicable percentage of 0.25% to 0.45% per annum based on a total consolidated debt to EBITDA ratio. The Company is required to pay a letter of credit participation fee and a letter of credit fronting fee quarterly in arrears. The letter of credit participation fee is based upon the aggregate face amount of outstanding letters of credit at an applicable percentage of 1.25% to 2.0% based on a total consolidated debt to EBITDA ratio. The letter of credit fronting fee is 0.125% per annum on the face amount of each letter of credit.

In addition to the remaining unamortized debt issuance costs associated with the original revolving credit facility entered into on October 22, 2015 and the Revolving Credit Facility, debt issuance costs of \$0.5 million related to the October 2018 amendment are being amortized to interest expense over the life of the Revolving Credit Facility, and are included in prepaid and other current assets and other non-current assets in the Company's consolidated balance sheet.

In the first nine months of 2019, the Company recorded interest expense related to the Revolving Credit Facility of \$5.1 million, which consisted of \$4.2 million associated with borrowings bearing interest at the LIBO rate, \$0.5 million in unused commitment fees, and \$0.4 million associated with the amortization of the debt issuance costs. In the first nine months of 2018, the Company recorded interest expense related to the Revolving Credit Facility of \$0.6 million in unused commitment fees and \$0.3 million associated with the amortization of the debt issuance costs.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

NOTE 14—CONTINGENCIES

Overview

LendingTree is involved in legal proceedings on an ongoing basis. In assessing the materiality of a legal proceeding, the Company evaluates, among other factors, the amount of monetary damages claimed, as well as the potential impact of non-monetary remedies sought by plaintiffs (e.g., injunctive relief) that may require it to change its business practices in a manner that could have a material and adverse impact on the business. With respect to the matters disclosed in this Note 14, unless otherwise indicated, the Company is unable to estimate the possible loss or range of losses that could potentially result from the application of such non-monetary remedies.

As of September 30, 2019, the Company had litigation settlement accruals of \$0.1 million and \$31.0 million in continuing operations and discontinued operations, respectively. As of December 31, 2018, the Company had litigation settlement accruals of \$0.2 million and \$8.0 million in continuing operations and discontinued operations, respectively. The litigation settlement accruals relate to litigation matters that were either settled or a firm offer for settlement was extended, thereby establishing an accrual amount that is both probable and reasonably estimable. See Note 17—Discontinued Operations for additional information.

NOTE 15—FAIR VALUE MEASUREMENTS

Other than the 0.625% Convertible Senior Notes and the Warrants, the carrying amounts of the Company's financial instruments are equal to fair value at September 30, 2019. See Note 13—Debt for additional information on the 0.625% Convertible Senior Notes and the Warrants.

Contingent consideration payments related to acquisitions are measured at fair value each reporting period using Level 3 unobservable inputs. The changes in the fair value of the Company's Level 3 liabilities during the third quarters and first nine months of 2019 and 2018 are as follows (*in thousands*):

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2019	2018	2019	2018
Contingent consideration, beginning of period	\$ 50,219	\$ 15,241	\$ 38,837	\$ 57,349
Transfers into Level 3	—	—	—	—
Transfers out of Level 3	—	—	—	—
Total net losses (gains) included in earnings (realized and unrealized)	3,839	2,105	21,221	1,197
Purchases, sales and settlements:				
Additions	—	—	—	5,800
Payments	—	(1,000)	(6,000)	(48,000)
Contingent consideration, end of period	\$ 54,058	\$ 16,346	\$ 54,058	\$ 16,346

The contingent consideration liability at September 30, 2019 is the estimated fair value of the earnout payments of the DepositAccounts, SnapCap, Ovation and QuoteWizard acquisitions.

The Company will make payments ranging from zero to \$1.0 million based on the achievement of defined milestone targets for DepositAccounts, payments ranging from \$3.0 million to \$6.0 million based on the achievement of certain defined earnings targets for SnapCap, payments ranging from \$4.4 million to \$8.8 million based on the achievement of certain defined operating metrics for Ovation, and payments ranging from zero to \$70.2 million based on the achievement of certain defined performance targets for QuoteWizard. See Note 7—Business Acquisitions for additional information on the contingent consideration for each of these respective acquisitions.

The significant unobservable inputs used to calculate the fair value of the contingent consideration are estimated future cash flows for the acquisitions, estimated customer growth rates, estimated date and likelihood of an increase in interest rates and the discount rate. Actual results will differ from the projected results and could have a significant impact on the estimated fair value of the contingent considerations. Additionally, as the liability is stated at present value, the passage of time alone will increase the estimated fair value of the liability each reporting period. Any changes in fair value will be recorded in operating income in the consolidated statements of operations and comprehensive income.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

NOTE 16—SEGMENT INFORMATION

The Company has one reportable segment.

Mortgage and non-mortgage product revenue is as follows (*in thousands*):

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2019	2018	2019	2018
Mortgage products	\$ 62,004	\$ 55,287	\$ 162,606	\$ 195,697
Non-mortgage products	248,601	141,770	688,810	366,496
Total revenue	\$ 310,605	\$ 197,057	\$ 851,416	\$ 562,193

NOTE 17—DISCONTINUED OPERATIONS

The LendingTree Loans Business is presented as discontinued operations in the accompanying financial statements. The LendingTree Loans Business originated various consumer mortgage loans through HLC. On June 6, 2012, the Company sold substantially all of the operating assets of HLC, including the LendingTree Loans Business, for \$55.9 million in cash to a wholly-owned subsidiary of Discover Financial Services ("Discover"). Discover generally did not assume liabilities of HLC that arose before the closing date, except for certain liabilities directly related to assets Discover acquired. Of the purchase price received, a portion was deposited in escrow in accordance with the agreement with Discover for certain loan loss obligations that remain with HLC following the sale. During the second quarter of 2018, the remaining funds in escrow were released to HLC in accordance with the terms of the agreement with Discover.

Upon closing of the sale of substantially all of the operating assets of HLC on June 6, 2012, HLC ceased to originate consumer loans. Liability for losses on previously sold loans remains with HLC and is discussed below.

Litigation settlements and contingencies and legal fees associated with ongoing related bankruptcy and legal proceedings against the Company are included in discontinued operations in the accompanying financial statements.

Home Loan Center, Inc. Bankruptcy Filing

On June 21, 2019, the U.S. District Court of Minnesota entered judgment in *ResCap Liquidating Trust v. Home Loan Center, Inc.*, against HLC for \$68.5 million, *see* Litigation Related to Discontinued Operations below. The judgment against HLC exceeded the assets of HLC, which were \$11.2 million at July 21, 2019, including cash of \$5.9 million. On July 19, 2019, HLC appealed the judgment to the United States Court of Appeals for the Eighth Circuit.

On July 21, 2019, at the direction of the sole independent director of HLC, HLC voluntarily filed a petition under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") with the U.S. Bankruptcy Court in the Northern District of California in San Jose, California (the "Bankruptcy Court") in order to preserve assets for the benefit of all creditors of HLC. On September 16, 2019, the Bankruptcy Court converted the bankruptcy to Chapter 7 of the Bankruptcy Code and appointed a Trustee to liquidate the business.

The bankruptcy filing does not include as debtors LendingTree, Inc., LendingTree, LLC or any of their respective subsidiaries engaged in continuing operations. HLC's filing under the Bankruptcy Code creates an automatic stay of enforcement of the judgment entered against HLC by the Minnesota court in *ResCap Liquidating Trust v. Home Loan Center, Inc.* described in Litigation Related to Discontinued Operations below. As a result of the voluntary petition, LendingTree, LLC was, as of the initial July 21, 2019 bankruptcy petition filing date, no longer deemed to have a controlling interest in HLC under applicable accounting standards. As a result, HLC and its consolidated subsidiary were deconsolidated from the Company's consolidated financial statements as of July 21, 2019. The effect of such deconsolidation was the elimination of the consolidated assets and liabilities of HLC (and its consolidated subsidiary) from the Company's consolidated balance sheets. Upon deconsolidation, in the third quarter of 2019 the Company recognized a loss of \$5.5 million which includes a net gain of \$4.5 million related to the removal of HLC's (and its consolidated subsidiary's) assets and liabilities and the recognition of a liability of \$10.0 million related to LendingTree LLC's ownership in HLC. No consideration was received by the Company as a result of the deconsolidation. The derecognition of HLC's cash of \$5.9 million removed from the consolidated balance sheet on the deconsolidation date of July 21, 2019 is included within cash flows from operating activities attributable to discontinued operations in the accompanying consolidated statement of cash flows.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

In its filings with the Bankruptcy Court, HLC has indicated that it believes that it has claims against HLC's sole shareholder, LendingTree, LLC, and its former sole director (the Company's Chairman and Chief Executive Officer), relating to the declaration of a dividend by HLC in January 2016 of \$40.0 million. The Company is obligated to advance any expenses to HLC's former sole director related to these claims and to indemnify such former sole director to the maximum extent permitted by law. LendingTree, LLC believes the declaration of the dividends was proper, that the amounts paid to LendingTree, LLC following such declarations are not subject to recovery by HLC and that any claims by HLC relating to such dividend declarations are without merit. LendingTree, LLC intends to vigorously contest such claims. During the third quarter of 2019, LendingTree, LLC made a settlement offer to HLC for \$31.0 million for the release of any and all claims against the Company, including the dividend claim. LendingTree estimates the range of potential losses related to the dividend matter to be \$0.0 million to \$40.0 million. An estimated liability of \$31.0 million is included in the accompanying consolidated balance sheet as of September 30, 2019 related to LendingTree LLC's ownership in HLC. HLC's voluntary petition under the Bankruptcy Code does not represent an event of default under LendingTree, LLC's Amended and Restated Credit Agreement dated as of November 21, 2017 or the Company's indenture dated May 31, 2017 with respect to the Company's 0.625% Convertible Senior Notes due 2022.

Loan Loss Obligations

HLC sold loans it originated through its LendingTree Loans Business to investors on a servicing-released basis, so the risk of loss or default by the borrower was generally transferred to the investor. However, HLC was required by these investors to make certain representations and warranties relating to credit information, loan documentation and collateral. These representations and warranties may extend through the contractual life of the loan. Subsequent to the loan sale, if underwriting deficiencies, borrower fraud or documentation defects are discovered in individual loans, HLC may be obligated to repurchase the respective loan or indemnify the investors for any losses from borrower defaults if such deficiency or defect cannot be cured within the specified period following discovery.

HLC continues to be liable for these indemnification obligations, repurchase obligations and premium repayment obligations following the sale of substantially all of its operating assets in the second quarter of 2012. The liability for losses on previously sold loans was presented as current liabilities of discontinued operations in the accompanying consolidated balance sheet as of December 31, 2018.

Additionally, LendingTree guaranteed certain loans sold to investors in the event that HLC is unable to satisfy its repurchase and warranty obligations related to such loans.

Litigation Related to Discontinued Operations

Residential Funding Company

ResCap Liquidating Trust v. Home Loan Center, Inc., Case No. 14-cv-1716 (U.S. Dist. Ct., Minn.), successor to *Residential Funding Company, LLC v. Home Loan Center, Inc., No. 13-cv-3451 (U.S. Dist. Ct., Minn.)*. On or about December 16, 2013, Home Loan Center, Inc. was served in the original captioned matter, which involves claims of Residential Funding Company, LLC ("RFC") for damages for breach of contract and indemnification for certain residential mortgage loans as well as residential mortgage-backed securitizations ("RMBS") containing mortgage loans. RFC asserts that, beginning in 2008, RFC faced massive repurchase demands and lawsuits from purchasers or insurers of the loans and RMBS that RFC had sold. RFC filed for bankruptcy protection in May 2012. Plaintiff alleges that, after RFC filed for Chapter 11 protection, hundreds of proofs of claim were filed, many of which mirrored the litigation filed against RFC prior to its bankruptcy.

In December 2013, the United States Bankruptcy Court for the Southern District of New York entered an Order confirming the Second Amended Joint Chapter 11 Plan Proposed by Residential Capital, LLC et al. and the Official Committee of Unsecured Creditors. Plaintiff then began filing substantially similar complaints against approximately 80 of the loan originators from whom RFC had purchased loans, including HLC, in federal and state courts in Minnesota and New York. In each case, plaintiff claims that the defendant is liable for a portion of the global settlement in RFC's bankruptcy.

Plaintiff asserted two claims against HLC: (1) breach of contract based on HLC's alleged breach of representations and warranties concerning the quality and characteristics of the mortgage loans it sold to RFC; and (2) contractual indemnification for alleged liabilities, losses, and damages incurred by RFC arising out of purported defects in loans that RFC purchased from HLC and sold to third parties. Plaintiff alleged that the "types of defects" contained in the loans it purchased from HLC included "income misrepresentation, employment misrepresentation, appraisal misrepresentations or inaccuracies, undisclosed debt, and missing or inaccurate documents." Plaintiff sought damages of up to \$61.0 million plus attorney's fees and prejudgment interest.

LENDINGTREE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

HLC denied the material allegations of the complaint and asserted numerous defenses thereto. The matter went to trial in the fourth quarter of 2018 and the jury returned a verdict of \$28.7 million in favor of plaintiff. On June 21, 2019, the U.S. District Court in Minnesota entered judgment against HLC for \$68.5 million. The judgment is comprised of: (i) \$28.7 million in damages awarded by the jury; (ii) \$14.1 million in pre-verdict interest; (iii) \$23.1 million in attorneys' fees and costs, and (iv) \$2.6 million in post-verdict, prejudgment interest.

HLC's filing under the Bankruptcy Code discussed above creates an automatic stay of enforcement of the judgment entered against HLC by the U.S. District Court in Minnesota. On August 27, 2019, plaintiff filed a lawsuit captioned *ResCap Liquidating Trust v. LendingTree, LCC, et al., Case No. 19-cv-2360 (U.S. Dist. Ct., Minn.)*, seeking to hold the Company liable for the judgment against HLC, under assumption of liability, agency and alter ego theories. The Company believes that these claims lack merit and intends to defend this action vigorously. On October 17, 2019, the Company filed a motion to dismiss the liability and agency claims.

Lehman Brothers Holdings, Inc.

Lehman Brothers Holdings Inc. v. 1st Advantage Mortgage, LLC et al., Case No. 08-13555 (SCC), Adversary Proceeding No. 16-01342 (SCC) (Bankr. S.D.N.Y.). In February 2016, Lehman Brothers Holdings, Inc. ("LBHI") filed an Adversary Complaint against HLC and approximately 149 other defendants (the "Complaint"). In December 2018, LBHI amended its complaint against HLC. The amended complaint references approximately 370 allegedly defective mortgage loans sold by HLC with purported "Claim Amounts" totaling \$40.2 million. LBHI alleges it settled all such claims and is seeking indemnification from HLC for LBHI's purported losses and liabilities associated with such settlements, plus prejudgment interest, attorneys' fees, litigation costs and other expenses. The amended complaint does not specify the amount of LBHI's purported damages. HLC believes that these claims lack merit and intends to defend this action vigorously. HLC's filing under the Bankruptcy Code discussed above creates an automatic stay of this proceeding.

Financial Information of Discontinued Operations

The components of net loss reported as discontinued operations in the accompanying consolidated statements of operations and comprehensive income are as follows (*in thousands*):

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2019	2018	2019	2018
Revenue	\$ —	\$ —	\$ —	\$ —
Gain from removal of HLC's assets and liabilities	4,515	—	4,515	—
Other operating expenses	(32,182)	(3,334)	(34,492)	(11,733)
Loss before income taxes	(27,667)	(3,334)	(29,977)	(11,733)
Income tax benefit	7,468	700	7,953	2,464
Net loss	\$ (20,199)	\$ (2,634)	\$ (22,024)	\$ (9,269)

Losses from discontinued operations included all activity of HLC prior to bankruptcy, including litigation settlements, contingencies and legal fees associated with legal proceedings, as well as a gain upon deconsolidation due to the accounting effect of HLC's bankruptcy filing on the consolidated financial statements.

The results of discontinued operations also include litigation settlements and contingencies and legal fees associated with ongoing legal proceedings against LendingTree Inc. or LendingTree LLC that arose due to the LendingTree Loans Business or the HLC bankruptcy filing.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Cautionary Statement Regarding Forward-Looking Information

This report contains "forward-looking statements" within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act of 1995. These forward-looking statements include statements related to our anticipated financial performance, business prospects and strategy; anticipated trends and prospects in the various industries in which our businesses operate; new products, services and related strategies; and other similar matters. These forward-looking statements are based on management's current expectations and assumptions about future events, which are inherently subject to uncertainties, risks and changes in circumstances that are difficult to predict. The use of words such as "anticipates," "estimates," "expects," "projects," "intends," "plans" and "believes," among others, generally identifies forward-looking statements.

Actual results could differ materially from those contained in the forward-looking statements. Factors currently known to management that could cause actual results to differ materially from those in forward-looking statements include those matters discussed or referenced in Part II, Item 1A. *Risk Factors* included elsewhere in this quarterly report and Part I, Item 1A. *Risk Factors* of the 2018 Annual Report.

Other unknown or unpredictable factors that could also adversely affect our business, financial condition and results of operations may arise from time to time. In light of these risks and uncertainties, the forward-looking statements discussed in this report may not prove to be accurate. Accordingly, you should not place undue reliance on these forward-looking statements, which only reflect the views of LendingTree, Inc.'s management as of the date of this report. We undertake no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events or changes to future operating results or expectations, except as required by law.

Company Overview

LendingTree, Inc., is the parent of LendingTree, LLC and several companies owned by LendingTree, LLC.

We operate what we believe to be the leading online consumer platform that connects consumers with the choices they need to be confident in their financial decisions. Our online consumer platform provides consumers with access to product offerings from our Network Partners, including mortgage loans, home equity loans and lines of credit, reverse mortgage loans, auto loans, credit cards, deposit accounts, personal loans, student loans, small business loans, insurance quotes and other related offerings. In addition, we offer tools and resources, including free credit scores, that facilitate comparison shopping for loans, deposit products, insurance and other offerings. We seek to match consumers with multiple providers, who can offer them competing quotes for the product, or products, they are seeking. We also serve as a valued partner to lenders and other providers seeking an efficient, scalable and flexible source of customer acquisition with directly measurable benefits, by matching the consumer inquiries we generate with these partners.

Our My LendingTree platform offers a personalized loan comparison-shopping experience by providing free credit scores and credit score analysis. This platform enables us to observe consumers' credit profiles and then identify and alert them to loans and other offerings on our marketplace that may be more favorable than the terms they may have at a given point in time. This is designed to provide consumers with measurable savings opportunities over their lifetimes.

We are focused on developing new product offerings and enhancements to improve the experiences that consumers and Network Partners have as they interact with us. By expanding our portfolio of financial services offerings, we are growing and diversifying our business and sources of revenue. We intend to capitalize on our expertise in performance marketing, product development and technology, and to leverage the widespread recognition of the LendingTree brand to effect this strategy.

We believe the consumer and small business financial services industry is still in the early stages of a fundamental shift to online product offerings, similar to the shift that started in retail and travel many years ago and is now well established. We believe that like retail and travel, as consumers continue to move toward online shopping and transactions for financial services, suppliers will increasingly shift their product offerings and advertising budgets toward the online channel. We believe the strength of our brands and of our partner network place us in a strong position to continue to benefit from this market shift.

The LendingTree Loans business is presented as discontinued operations in the accompanying consolidated balance sheets, consolidated statements of operations and comprehensive income and consolidated cash flows for all periods presented. Except for the discussion under the heading "Discontinued Operations," the analysis within Management's Discussion and Analysis of Financial Condition and Results of Operations reflects our continuing operations.

Recent Business Acquisitions

On January 10, 2019, we acquired Value Holding, Inc., the parent company of ValuePenguin Inc. ("ValuePenguin"), a personal finance website that offers consumers objective analysis on a variety of financial topics from insurance to credit cards, for \$106.2 million. We believe that combining ValuePenguin's high-quality content and search engine optimization capability with recently acquired proprietary technology and insurance carrier network from QuoteWizard.com, LLC ("QuoteWizard") enables us to provide immense value to carriers and agents. This strategic acquisition positions us to achieve further scale in the insurance space as well as the broader financial services industry.

On October 31, 2018, we acquired QuoteWizard, one of the largest insurance comparison marketplaces in the growing online insurance advertising market, for \$299.5 million in cash and potential contingent consideration payments of up to \$70.2 million through October 2021, subject to achieving specific targets. QuoteWizard services clients by driving consumers to insurance companies' websites, providing leads to agents and carriers, as well as phone transfers of consumers into carrier call centers. This acquisition has established LendingTree as a leading player in the online insurance advertising industry, while continuing our ongoing diversification within the financial services category.

On July 23, 2018, we acquired Student Loan Hero, Inc. ("Student Loan Hero") for \$62.7 million in cash, of which \$2.3 million was recognized as severance expense in our consolidated statements of operations and comprehensive income. Student Loan Hero, a personal finance website dedicated to helping student loan borrowers manage their student debt, offers current and former students in-depth financial comparison tools, educational resources, and unbiased, personalized advice. This strategic transaction allows us to scale our student loan business and provide consumers with the tools and resources to better understand their personal finances and make smarter financial decisions.

On June 11, 2018, we acquired Ovation Credit Services, Inc. ("Ovation"), a leading provider of credit services with a strong customer service reputation for \$12.1 million in cash and potential contingent consideration payments of up to \$8.75 million through June 2020, subject to achieving specified targets. Ovation utilizes a proprietary software application that facilitates the credit repair process and is integrated directly with certain credit bureaus while educating consumers on credit improvement via ongoing outreach with Ovation case advisors. The proprietary software application offers consumers a simple, streamlined process to identify, dispute, and correct inaccuracies within their credit reports. Ovation's experienced management team, strong credit bureau relationships and customized software platform enable us to help more consumers achieve their original financial goals through the LendingTree platform.

These acquisitions continue our diversification strategy.

North Carolina Office Properties

In December 2016, we completed the acquisition of two office buildings in Charlotte, North Carolina, for \$23.5 million in cash. The buildings were acquired with the intent to use such buildings as our corporate headquarters and rent any unused space. In November 2018, the office buildings were classified as held for sale. In February 2019, we agreed to sell these buildings to an unrelated third party, which agreement was amended in March 2019. The sale was finalized in the second quarter of 2019 for a sale price of \$24.4 million, and we incurred closing fees of \$0.3 million. For additional information, *see* Note 6—Assets Held for Sale in the notes to the consolidated financial statements included elsewhere in this report.

With our expansion in North Carolina, in December 2016, we received a grant from the state that provides up to \$4.9 million in reimbursements over 12 years beginning in 2017 for investing in real estate and infrastructure in addition to increasing jobs in North Carolina at specific targeted levels through 2020, and maintaining the jobs thereafter. Additionally, the city of Charlotte and the county of Mecklenburg provided a grant that will be paid over five years and is based on a percentage of new property tax we pay on the development of a corporate headquarters. In December 2018, we received an additional grant from the state that provides up to \$8.4 million in reimbursements over 12 years beginning in 2020 for increasing jobs in North Carolina at specific targeted levels through 2023, and maintaining the jobs thereafter.

Seasonality

Revenue in our lending business is subject to cyclical and seasonal trends. Home sales (and purchase mortgages) typically rise during the spring and summer months and decline during the fall and winter months, while refinancing and home equity activity is principally driven by mortgage interest rates as well as real estate values. However, in certain historical periods additional factors affecting the mortgage and real estate markets, such as the 2008-2009 financial crisis and ensuing recession, have impacted customary seasonal trends.

We anticipate revenue in our newer products to be cyclical as well; however, we have limited historical data to predict the nature and magnitude of this cyclicity. Based on industry data, we anticipate as our personal loan product matures we will

experience less consumer demand during the fourth and first quarters of each year. We also anticipate less consumer demand for credit cards in the fourth quarter of each year and we anticipate higher consumer demand for deposit accounts in the first quarter of each year. The majority of consumer demand for in-school student loan products occurs in the third quarter coinciding with collegiate enrollment in late summer. Other factors affecting our business include macro factors such as credit availability in the market, interest rates, the strength of the economy and employment.

Recent Mortgage Interest Rate Trends

Interest rate and market risks can be substantial in the mortgage lead generation business. Short-term fluctuations in mortgage interest rates primarily affect consumer demand for mortgage refinancings, while long-term fluctuations in mortgage interest rates, coupled with the U.S. real estate market, affect consumer demand for new mortgages. Consumer demand, in turn, affects lender demand for mortgage leads from third-party sources, as well as our own ability to attract online consumers to our website.

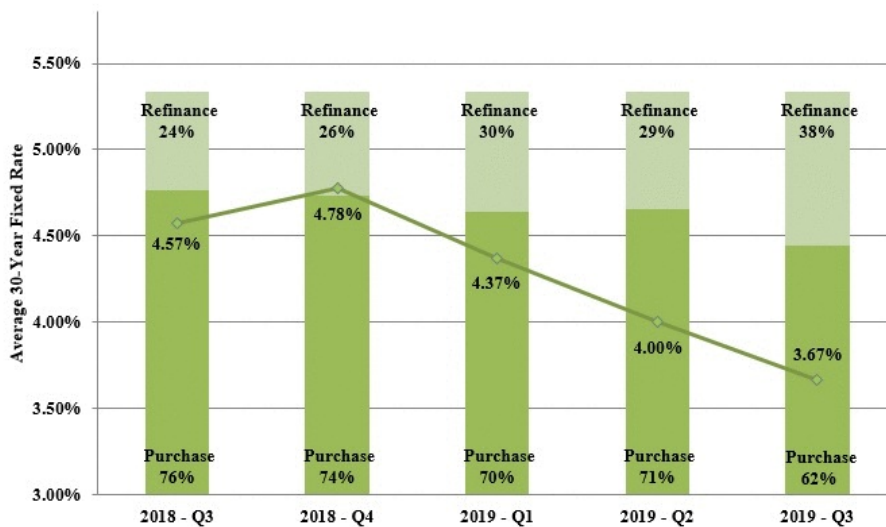

Typically, when interest rates decline, we see increased consumer demand for mortgage refinancing, which in turn leads to increased traffic to our website and decreased selling and marketing efforts associated with that traffic. At the same time, lender demand for leads from third-party sources typically decreases, as there are more consumers in the marketplace seeking refinancings and, accordingly, lenders receive more organic mortgage lead volume. Due to lower lender demand, our revenue earned per consumer typically decreases, but with correspondingly lower selling and marketing costs. These factors combined to drive higher consumer traffic to our website for mortgage products in the third quarter of 2019 compared to the prior year quarter, the results of which were partially offset by lower revenue earned per consumer.

Conversely, when interest rates increase, we typically see decreased consumer demand for mortgage refinancing, leading to decreased traffic to our website and higher associated selling and marketing efforts associated with that traffic. At the same time, lender demand for leads from third-party sources typically increases, as there are fewer consumers in the marketplace and, accordingly, the supply of organic mortgage lead volume decreases. Due to high lender demand, we typically see an increase in the amount lenders will pay per matched lead, which often leads to higher revenue earned per consumer. However, increases in the amount lenders will pay per matched lead in this situation is limited by the overall cost models of our lenders, and our revenue earned per consumer can be adversely affected by the overall reduced demand for refinancing in a rising rate environment.

We dynamically adjust selling and marketing expenditures in all interest rate environments to optimize our results against these variables.

According to Freddie Mac, 30-year mortgage interest rates have decreased steadily during 2019 to a monthly average of 3.61% in September 2019. On a quarterly basis, 30-year mortgage interest rates in the third quarter of 2019 averaged 3.67%, as compared to 4.57% in the third quarter of 2018 and 4.00% in the second quarter of 2019.

HISTORICAL MIX OF MORTGAGE ORIGINATION DOLLARS

[Table of Contents](#)

Typically, as mortgage interest rates decline, there are more consumers in the marketplace seeking refinancings and, accordingly, the mix of mortgage origination dollars moves towards refinance mortgages. According to Mortgage Bankers Association ("MBA") data, total refinance origination dollars increased to 38% of total mortgage origination dollars in the third quarter of 2019 compared to 29% in the second quarter of 2019, while total purchase origination dollars was 62% of total mortgage origination dollars in the third quarter of 2019 compared to 71% in the second quarter of 2019. In the third quarter of 2019, total refinance origination dollars increased 107% from the third quarter of 2018 and 58% from the second quarter of 2019.

Looking forward, the MBA is projecting 30-year mortgage interest rates to remain relatively consistent through the end of the year. According to MBA projections, refinance origination dollars is projected to increase to 51% of total mortgage origination dollars in the fourth quarter of 2019. The refinance share of total mortgage origination dollars is projected to represent approximately 38% for 2019, compared to 28% for 2018.

The U.S. Real Estate Market

The health of the U.S. real estate market and interest rate levels are the primary drivers of consumer demand for new mortgages. Consumer demand, in turn, affects lender demand for purchase mortgage leads from third-party sources. Typically, a strong real estate market will lead to reduced lender demand for leads, as there are more consumers in the marketplace seeking financing and, accordingly, lenders receive more organic lead volume. Conversely, a weaker real estate market will typically lead to an increase in lender demand, as there are fewer consumers in the marketplace seeking mortgages.

According to the National Association of Realtors ("NAR"), falling interest rates contributed to an increase in existing home sales in the third quarter of 2019. The NAR expects a minimal increase in existing home sales in 2019 from 2018.

Results of Operations for the Three and Nine Months ended September 30, 2019 and 2018

	Three Months Ended September 30,				Nine Months Ended September 30,

Revenue

Revenue increased in the third quarter of 2019 compared to the third quarter of 2018 due to increases in our non-mortgage products of \$106.8 million and in our mortgage products of \$6.7 million. Revenue increased in the first nine months of 2019 compared to the first nine months of 2018 due to an increase in our non-mortgage products of \$322.3 million, partially offset by a decrease in our mortgage products of \$33.1 million.

Our non-mortgage products include the following non-mortgage lending products: credit cards, personal loans, home equity loans and lines of credit, small business loans, student loans, reverse mortgage loans and auto loans. Our non-mortgage products also include insurance quotes, deposit accounts, home improvement referrals and other credit products such as credit repair and debt settlement. Revenue earned through resale of online advertising space to third parties is also included in non-mortgage products. Many of our non-mortgage products are not individually significant to revenue. The increase in revenue from our non-mortgage products in the third quarter and first nine months of 2019 from the third quarter and first nine months of 2018 is primarily due to increases in our insurance, credit cards, personal loans, credit services, student loans and small business loans products, as well as resold advertising space.

Revenue from our insurance product increased to \$74.8 million in the third quarter of 2019 and \$213.9 million in the first nine months of 2019 from immaterial amounts in the third quarter and first nine months of 2018, due to the acquisition of QuoteWizard in the fourth quarter of 2018.

Revenue from our credit cards product increased \$12.1 million to \$54.8 million in the third quarter of 2019 from \$42.7 million in the third quarter of 2018, or 28%, and increased \$37.8 million to \$165.4 million in the first nine months of 2019 from \$127.6 million in the first nine months of 2018, or 30% due to increases in the number of approvals and an increase in revenue earned per approval.

Revenue from our personal loans product increased \$5.3 million to \$43.9 million in the third quarter of 2019 from \$38.6 million in the third quarter of 2018, or 14%, and increased \$16.8 million to \$117.5 million in the first nine months of 2019 from \$100.7 million in the first nine months of 2018, or 17%, due to an increased number of consumers completing request forms as a result of increased lender demand and corresponding increases in selling and marketing efforts, partially offset by a decrease in revenue earned per consumer.

For the periods presented, no other non-mortgage product represented more than 10% of revenue; however, certain other non-mortgage products experienced notable increases. Revenue from our student loans product increased by \$8.6 million in the third quarter of 2019 compared to the third quarter of 2018 due to increased consumers, and increased by \$16.8 million in the first nine months of 2019 compared to the first nine months of 2018 due to increased consumers and the acquisition of Student Loan Hero in July 2018. Revenue from our small business loans product increased by \$5.5 million in the third quarter of 2019 compared to the third quarter of 2018 and increased by \$14.9 million in the first nine months of 2019 compared to the first nine months of 2018, due to increases in the number of consumers seeking business loans and increases in selling and marketing efforts, partially offset by a decrease in revenue earned per consumer. Revenue from the resale of online advertising space to third parties increased by \$15.9 million in the first nine months of 2019 compared to the first nine months of 2018. Online advertising space resold to third parties prior to the third quarter of 2018 was not significant. Revenue from our credit services product increased by \$12.6 million in the first nine months of 2019 compared to the first nine months of 2018, primarily due to the acquisition of Ovation in June 2018.

We believe the market for our non-mortgage products remains under-penetrated and we believe long-term growth prospects are strong for non-mortgage products. A significant industry-wide contraction in the availability of capital for non-mortgage products would likely adversely affect our non-mortgage product revenues.

Revenue from our mortgage products increased in the third quarter of 2019 compared to the third quarter of 2018 due to an increase in revenue from our refinance products, partially offset by a decrease in revenue from our purchase product. Revenue from our mortgage products decreased in the first nine months of 2019 compared to the first nine months of 2018 due to decreases in revenue from both our refinance and purchase products. Revenue from our refinance product increased \$14.9 million in the third quarter of 2019 compared to the third quarter of 2018 due to an increase in the number of consumers completing request forms, partially offset by a decrease in revenue earned per consumer. Revenue from our refinance product decreased \$8.1 million in the first nine months of 2019 compared to the first nine months of 2018 due to a decrease in revenue earned per consumer, partially offset by an increase in the number of consumers completing request forms. Revenue from our purchase product decreased \$8.2 million in the third quarter of 2019 compared to the third quarter of 2018 and decreased \$25.0 million in the first nine months

of 2019 compared to the first nine months of 2018 due to a decrease in the number of consumers completing request forms, as well as a decrease in revenue earned per consumer.

Cost of revenue

Cost of revenue consists primarily of costs associated with compensation and other employee-related costs (including stock-based compensation) relating to internally-operated customer call centers, third-party customer call center fees, costs for online advertising resold to third parties, credit scoring fees, credit card fees, website network hosting and server fees.

Cost of revenue increased in the third quarter of 2019 from the third quarter of 2018, and in the first nine months of 2019 from the first nine months of 2018, primarily due to increases in compensation and benefits from increased headcount of \$2.7 million and \$9.0 million, respectively, increases in website network hosting and server fees of \$1.3 million and \$2.7 million, respectively, and increases in the cost of resold advertising space of \$2.2 million and \$14.6 million, respectively. Online advertising space resold to third parties prior to the third quarter of 2018 was not significant.

Cost of revenue as a percentage of revenue remained consistent at 6% in each of the third quarters of 2019 and 2018, and increased to 6% in the first nine months of 2019 compared to 4% in the first nine months of 2018, due to the items above.

Selling and marketing expense

Selling and marketing expense consists primarily of advertising and promotional expenditures and compensation and other employee-related costs (including stock-based compensation) for personnel engaged in sales or marketing functions. Advertising and promotional expenditures primarily include online marketing, as well as television, print and radio spending. Advertising production costs are expensed in the period the related ad is first run.

The increases in selling and marketing expense in the third quarter and first nine months of 2019 compared to the third quarter and first nine months of 2018 were primarily due to increases in advertising and promotional expense of \$72.6 million and \$180.3 million, respectively, as discussed below. Selling and marketing expense also increased in the third quarter and first nine months of 2019 compared to the third quarter and first nine months of 2018 due to increases in compensation and benefits of \$3.8 million and \$12.6 million, respectively, as a result of increases in headcount.

Advertising and promotional expense is the largest component of selling and marketing expense, and is comprised of the following:

	Three Months Ended September 30,				Nine Months Ended September 30,			
	2019	2018	\$ Change	% Change	2019	2018	\$ Change	% Change
	<i>(Dollars in thousands)</i>							
Online	\$ 182,401	\$ 112,223	\$ 70,178	63%	\$ 501,119	\$ 336,932	\$ 164,187	49%
Broadcast	3,952	2,472	1,480	60%	20,885	5,907	14,978	254%
Other	2,885	1,935	950	49%	9,370	8,194	1,176	14%
Total advertising expense	\$ 189,238	\$ 116,630	\$ 72,608	62%	\$ 531,374	\$ 351,033	\$ 180,341	51%

Revenue is primarily driven by Network Partner demand for our products, which is matched to corresponding consumer requests. We adjust our selling and marketing expenditures dynamically in relation to anticipated revenue opportunities in order to ensure sufficient consumer inquiries to profitably meet such demand. An increase in a product's revenue is generally met by a corresponding increase in marketing spend, and conversely a decrease in a product's revenue is generally met by a corresponding decrease in marketing spend. This relationship exists for both mortgage and non-mortgage products.

We increased our advertising expenditures in the third quarter and first nine months of 2019 compared to the third quarter and first nine months of 2018 in order to generate additional consumer inquiries to meet the increased demand of Network Partners on our marketplace. We will continue to adjust selling and marketing expenditures dynamically in relation to anticipated revenue opportunities.

General and administrative expense

General and administrative expense consists primarily of compensation and other employee-related costs (including stock-based compensation) for personnel engaged in finance, legal, tax, corporate information technology, human resources and executive management functions, as well as facilities and infrastructure costs and fees for professional services.

General and administrative expense increased in the third quarter of 2019 from the third quarter of 2018, and in the first nine months of 2019 from the first nine months of 2018, primarily due to increases in compensation and benefits of \$3.3 million and \$9.2 million, respectively, as a result of increases in headcount. General and administrative expense also increased in the third quarter of 2019 from the third quarter of 2018, and in the first nine months of 2019 from the first nine months of 2018, due to increases in facilities expense of \$1.3 million and \$3.4 million, respectively, and increases in technology expense of \$1.3 million and \$3.5 million, respectively. General and administrative expense in the first nine months of 2018 includes a charge of \$1.6 million due to the write-off of certain fixed assets. The increase in general and administrative expense in the first nine months of 2019 compared to the first nine months of 2018 is partially offset by a \$2.7 million gain on the sale of two office buildings in Charlotte, North Carolina.

General and administrative expense as a percentage of revenue decreased to 10% in each of the third quarter and first nine months of 2019, compared to 12% and 13% in the third quarter and first nine months of 2018, respectively.

Product development

Product development expense consists primarily of compensation and other employee-related costs (including stock-based compensation) and third-party labor costs that are not capitalized, for employees and consultants engaged in the design, development, testing and enhancement of technology.

Product development expense increased in the third quarter and first nine months of 2019 compared to the third quarter and first nine months of 2018, as we continued to invest in internal development of new and enhanced features, functionality and business opportunities that we believe will enable us to better and more fully serve consumers and lenders.

Depreciation

The increase in depreciation expense in the third quarter and first nine months of 2019 compared to the third quarter and first nine months of 2018 was primarily the result of higher investment in internally developed software in recent years, to support the growth of our business.

Amortization of intangibles

Amortization of intangibles increased in the third quarter and first nine months of 2019 compared to the third quarter and first nine months of 2018 primarily due to intangible assets associated with our business acquisitions in 2018 and 2019.

Contingent consideration

During the third quarter and first nine months of 2019, we recorded aggregate contingent consideration expense of \$3.8 million and \$21.2 million, respectively, due to adjustments in the estimated fair value of the earnout payments related to our recent acquisitions. For the third quarter of 2019, the contingent consideration expense for the QuoteWizard and SnapCap acquisitions was \$4.3 million and \$0.3 million, respectively. This was partially offset by a contingent consideration gain recorded for the Ovation acquisition of \$0.8 million. For the first nine months of 2019, the contingent consideration expense for the QuoteWizard and SnapCap acquisitions was \$21.2 million, and \$1.8 million, respectively. This was partially offset by contingent consideration gains recorded for the Ovation and DepositAccounts acquisitions of \$0.8 million and \$1.0 million, respectively.

During the third quarter of 2018, we recorded \$2.1 million of contingent consideration expense due to adjustments in the estimated fair value of the earnout payments related to the DepositAccounts, SnapCap and Ovation acquisitions. During the first nine months of 2018, we recorded \$1.2 million of contingent consideration expense due to adjustments in the estimated fair value of the earnout payments related to the CompareCards, DepositAccounts, SnapCap and Ovation acquisitions.

Income tax expense

For the third quarter and first nine months of 2019, the effective tax rate varied from the federal statutory rate of 21% primarily due to a tax benefit of \$2.8 million and \$16.5 million, respectively, recognized for excess tax benefits due to employee exercises

of stock options and vesting of restricted stock in accordance with ASU 2016-09, a tax benefit of \$1.9 million recognized from an adjustment to the federal research tax credit and the effect of state taxes.

For the third quarter and first nine months of 2018, the effective tax rate varied from the federal statutory rate of 21% primarily due to a tax benefit of \$14.3 million and \$75.2 million, respectively, recognized for excess tax benefits due to employee exercises of stock options and vesting of restricted stock in accordance with ASU 2016-09 and the effect of state taxes.

There have been no changes to our valuation allowance assessment for the third quarter of 2019.

Discontinued operations

The results of discontinued operations include the results of the LendingTree Loans business formerly operated by our wholly-owned subsidiary, Home Loan Center, Inc., or HLC. The sale of substantially all of the assets of HLC, including the LendingTree Loans business, was completed on June 6, 2012. HLC filed a petition under Chapter 11 of the United States Bankruptcy Code on July 21, 2019, which was converted to Chapter 7 of the United States Bankruptcy Code on September 16, 2019.

As a result of the voluntary bankruptcy petition, as of the initial July 21, 2019 bankruptcy petition filing date, HLC and its consolidated subsidiary were deconsolidated from LendingTree's consolidated financial statements. The effect of such deconsolidation was the elimination of the consolidated assets and liabilities of HLC (and its consolidated subsidiary) from LendingTree's consolidated balance sheets and the recognition of a \$4.5 million gain upon deconsolidation in the third quarter of 2019. In addition, LendingTree recognized a loss of \$31.0 million in the third quarter of 2019 as a result of a settlement offer related to LendingTree LLC's ownership in HLC.

Prior to the bankruptcy filing, losses from the LendingTree Loans business were primarily due to litigation settlements and contingencies and legal fees associated with ongoing legal proceedings.

The results of discontinued operations include litigation settlements and contingencies and legal fees associated with ongoing legal proceedings against LendingTree Inc. or LendingTree LLC that arose due to the LendingTree Loans business or the HLC bankruptcy filing.

See Note 17—Discontinued Operations to the consolidated financial statements included elsewhere in this report for more information, including the accounting effect of HLC's bankruptcy filing on our consolidated financial statements.

See also Part II, Item 1A. *Risk Factors* below for further information on risks associated with HLC's bankruptcy filing.

Adjusted EBITDA

We report Adjusted EBITDA as a supplemental measure to GAAP. This measure is the primary metric by which we evaluate the performance of our businesses, on which our marketing expenditures and internal budgets are based and by which management and many employees are compensated. We believe that investors should have access to the same set of tools that we use in analyzing our results. This non-GAAP measure should be considered in addition to results prepared in accordance with GAAP, but should not be considered a substitute for or superior to GAAP results. We provide and encourage investors to examine the reconciling adjustments between the GAAP and non-GAAP measures discussed below.

Definition of Adjusted EBITDA

We report Adjusted EBITDA as net income from continuing operations adjusted to exclude interest, income tax, amortization of intangibles and depreciation, and to further exclude (1) non-cash compensation expense, (2) non-cash impairment charges, (3) gain/loss on disposal of assets, (4) restructuring and severance expenses, (5) litigation settlements and contingencies, (6) acquisitions and dispositions income or expense (including with respect to changes in fair value of contingent consideration) and (7) one-time items. Adjusted EBITDA has certain limitations in that it does not take into account the impact to our statement of operations of certain expenses, including depreciation, non-cash compensation and acquisition-related accounting. We endeavor to compensate for the limitations of the non-GAAP measures presented by also providing the comparable GAAP measures with equal or greater prominence and descriptions of the reconciling items, including quantifying such items, to derive the non-GAAP measures. These non-GAAP measures may not be comparable to similarly titled measures used by other companies.

One-Time Items

Adjusted EBITDA is adjusted for one-time items, if applicable. Items are considered one-time in nature if they are non-recurring, infrequent or unusual and have not occurred in the past two years or are not expected to recur in the next two years, in accordance with SEC rules. For the periods presented in this report, there are no adjustments for one-time items.

Non-Cash Expenses that are Excluded from Adjusted EBITDA

Non-cash compensation expense consists principally of expense associated with grants of restricted stock, restricted stock units and stock options, some of which awards have performance-based vesting conditions. These expenses are not paid in cash, and we include the related shares in our calculations of fully diluted shares outstanding. Upon settlement of restricted stock units, exercise of certain stock options or vesting of restricted stock awards, the awards may be settled, on a net basis, with us remitting the required tax withholding amount from our current funds.

Amortization of intangibles are non-cash expenses relating primarily to intangible assets acquired through acquisitions. At the time of an acquisition, the intangible assets of the acquired company, such as purchase agreements, technology and customer relationships, are valued and amortized over their estimated lives.

The following table is a reconciliation of net income from continuing operations to Adjusted EBITDA *(in thousands)*.

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2019	2018	2019	2018
Net income from continuing operations	\$ 24,463	\$ 28,362	\$ 37,994	\$ 109,068
Adjustments to reconcile to Adjusted EBITDA:				
Amortization of intangibles	13,778	5,701	41,485	13,628
Depreciation	2,696	1,895	7,737	5,199
Severance	179	2,328	636	2,331
Loss (gain) on impairments and disposal of assets	609	97	(1,369)	1,986
Non-cash compensation expense	10,797	12,097	40,832	34,384
Change in fair value of contingent consideration	3,839	2,105	21,221	1,197

Financial Position, Liquidity and Capital Resources

General

As of September 30, 2019, we had \$50.5 million of cash and cash equivalents compared to \$105.1 million of cash and cash equivalents as of December 31, 2018.

In the first nine months of 2019, we purchased an aggregate of 18,580 shares of our common stock pursuant to a stock repurchase program for \$4.3 million.

In May 2019, we completed the sale of two office buildings in Charlotte, North Carolina to an unrelated third party for a sale price of \$24.4 million. We received proceeds of \$24.1 million, net of closing fees of \$0.3 million.

In January 2019, we acquired ValuePenguin for \$106.2 million in cash. The acquisition was funded through \$90.0 million drawn on our Revolving Credit Facility and the balance using cash on hand.

During the first nine months of 2019, we paid down \$130.0 million on our Revolving Credit Facility.

[Table of Contents](#)

During the first nine months of 2019, we made a contingent consideration payment of \$3.0 million related to the prior acquisition of SnapCap and total contingent consideration payments of \$3.0 million related to the prior acquisition of DepositAccounts.

In October 2019, we made a contingent consideration payment of \$4.4 million related to the prior acquisition of Ovation. We could make additional potential contingent consideration payments of up to \$1.0 million for DepositAccounts, \$6.0 million for SnapCap, \$4.4 million for Ovation, and \$70.2 million for QuoteWizard.

We expect our cash and cash equivalents and cash flows from operations to be sufficient to fund our operating needs for the next twelve months and beyond. Our amended and restated revolving credit facility described below is an additional potential source of liquidity.

Senior Secured Revolving Credit Facility

On October 26, 2018, we amended our five-year senior secured revolving credit facility which matures on November 21, 2022 (the “Revolving Credit Facility”) to increase its borrowing capacity by \$100.0 million to \$350.0 million. Borrowings under the Revolving Credit Facility can be used to finance working capital needs, capital expenditures and general corporate purposes, including to finance permitted acquisitions. As of October 30, 2019, we have \$75.0 million of borrowings and a \$0.2 million letter of credit under the Revolving Credit Facility. The remaining borrowing capacity at October 30, 2019 is \$274.8 million.

Cash Flows from Continuing Operations

Our cash flows attributable to continuing operations are as follows:

	Nine Months Ended September 30,	
	2019	2018
	<i>(in thousands)</i>	
Net cash provided by operating activities	\$ 110,880	\$ 60,227
Net cash used in investing activities	(96,187)	(79,793)
Net cash used in financing activities	(56,779)	(80,482)

Cash Flows from Operating Activities

Our largest source of cash provided by our operating activities is revenues generated by our mortgage and non-mortgage products. Our primary uses of cash from our operating activities include advertising and promotional payments. In addition, our uses of cash from operating activities include compensation and other employee-related costs, other general corporate expenditures, litigation settlements and contingencies, certain contingent consideration payments and income taxes.

Net cash provided by operating activities attributable to continuing operations increased in the first nine months of 2019 from the first nine months of 2018 due primarily to an increase in revenue, partially offset by an increase in selling and marketing expense and cost of revenue. Additionally, cash from changes in working capital increased primarily as a result of changes in accounts payable, accrued expenses and other current liabilities and current contingent consideration, partially offset by changes in accounts receivable. Cash flows from operating activities in the first nine months of 2018 included the \$21.9 million portion of the CompareCards earnout payment made in excess of the contingent consideration liability recognized at the acquisition date.

Cash Flows from Investing Activities

Net cash used in investing activities attributable to continuing operations in the first nine months of 2019 of \$96.2 million consisted primarily of the acquisition of ValuePenguin for \$105.6 million, net of cash acquired, and capital expenditures of \$15.2 million primarily related to internally developed software. This was partially offset by proceeds of \$24.1 million on the sale of two office buildings, net of closing expenses.

Net cash used in investing activities attributable to continuing operations in the first nine months of 2018 of \$79.8 million consisted primarily of the acquisition of Student Loan Hero and Ovation for \$57.4 million and \$11.7 million, respectively, net of cash acquired, and capital expenditures of \$10.6 million primarily related to internally developed software.

Cash Flows from Financing Activities

Net cash used in financing activities attributable to continuing operations in the first nine months of 2019 of \$56.8 million consisted primarily of \$40.0 million of net repayments on our Revolving Credit Facility, \$4.3 million for the repurchase of our common stock, \$9.5 million in withholding taxes paid upon surrender of shares to satisfy obligations on equity awards, net of proceeds from the exercise of stock options, and \$3.0 million of contingent consideration payments for SnapCap.

Net cash used in financing activities attributable to continuing operations in the first nine months of 2018 of \$80.5 million consisted primarily of \$26.6 million of contingent consideration payments for CompareCards, DepositAccounts and SimpleTuition and \$57.0 million for the repurchase of our stock.

Off-Balance Sheet Arrangements

We have no off-balance sheet arrangements other than a letter of credit and our funding commitments pursuant to our surety bonds, none of which have or are reasonably likely to have a current or future effect on our financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that is material to investors.

New Accounting Pronouncements

For information regarding new accounting pronouncements, see Note 2—Significant Accounting Policies, in Part I, Item 1 *Financial Statements*.

Item 3. *Quantitative and Qualitative Disclosures about Market Risk*

Other than our Revolving Credit Facility, we do not have any financial instruments that are exposed to significant market risk. We maintain our cash and cash equivalents in bank deposits and short-term, highly liquid money market investments. A hypothetical 100-basis point increase or decrease in market interest rates would not have a material impact on the fair value of our cash equivalents securities, or our earnings on such cash equivalents, but would have an effect on the interest paid on borrowings under the Revolving Credit Facility, if any. As of October 30, 2019, there was \$75.0 million borrowed under the Revolving Credit Facility. If the LIBO rate increased by 100-basis points, our annual interest expense would increase by approximately \$0.8 million. Increases in the Federal Funds interest rates may also affect potential contingent consideration payments to DepositAccounts. See Note 7—Business Acquisitions—Changes in Contingent Consideration—DepositAccounts in Part I, Item 1. *Financial Statements*.

Fluctuations in interest rates affect consumer demand for new mortgages and the level of refinancing activity which, in turn, affects lender demand for mortgage leads. Typically, when interest rates decline, we see increased consumer demand for mortgage refinancing, which in turn leads to increased traffic to our website and decreased selling and marketing efforts associated with that traffic. At the same time, lender demand for leads from third-party sources typically decreases, as there are more consumers in the marketplace seeking refinancings and, accordingly, lenders receive more organic lead volume. Due to lower lender demand, our revenue earned per consumer typically decreases but with correspondingly lower selling and marketing costs. Conversely, when interest rates increase, we typically see decreased consumer demand for mortgage refinancing, leading to decreased traffic to our website and higher associated selling and marketing efforts associated with that traffic. At the same time, lender demand for leads from third-party sources typically increases, as there are fewer consumers in the marketplace and, accordingly, the supply of organic mortgage lead volume decreases. Due to high lender demand, we typically see an increase in the amount lenders will pay per matched lead, which often leads to higher revenue earned per consumer. However, increases in the amount lenders will pay per matched lead in this situation is limited by the overall cost models of our lenders, and our revenue earned per consumer can be adversely affected by the overall reduced demand for refinancing in a rising rate environment. See also the risk factor "Adverse conditions in the primary and secondary mortgage markets, as well as the general economy, could materially and adversely affect our business, financial condition and results of operations," in Part I, Item 1A. *Risk Factors* in our 2018 Annual Report.

Item 4. *Controls and Procedures*

Evaluation of Disclosure Controls and Procedures

As required by Rule 13a-15(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), management, with the participation of our principal executive officer (our Chief Executive Officer) and principal financial officer (our Chief Financial Officer), evaluated, as of the end of the period covered by this report, the effectiveness of our disclosure controls and procedures

[Table of Contents](#)

as defined in Exchange Act Rule 13a-15(e). Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective, as of September 30, 2019, to reasonably ensure that information required to be disclosed and filed under the Exchange Act is recorded, processed, summarized and reported within the time periods specified, and that management will be timely alerted to material information required to be included in our periodic reports filed with the Securities and Exchange Commission.

Changes in Internal Control Over Financial Reporting

There was no change in our internal control over financial reporting that occurred during the quarter ended September 30, 2019 that has materially affected, or is reasonably likely to materially affect, our internal controls over financial reporting.

PART II—OTHER INFORMATION

Item 1. *Legal Proceedings*

In the ordinary course of business, we are party to litigation involving property, contract, intellectual property and a variety of other claims. The amounts that may be recovered in such matters may be subject to insurance coverage. We have provided information about certain legal proceedings in which we are involved in Part I, Item 3. *Legal Proceedings* of our 2018 Annual Report and updated that information in Note 14—Contingencies and Note 17—Discontinued Operations to the consolidated financial statements included elsewhere in this report.

Item 1A. *Risk Factors*

Other than the risk factor set forth below, there have been no material changes to the risk factors included in Part I, Item 1A *Risk Factors* of our 2018 Annual Report.

We are subject to risks relating to the bankruptcy of our Home Loan Center, Inc. subsidiary, including risks of claims against us and our operating subsidiaries

Our subsidiary Home Loan Center, Inc., or HLC, filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code, which we refer to as the Bankruptcy Code, in order to preserve assets for the benefit of all creditors of HLC. On September 16, 2019, the Bankruptcy Court converted the bankruptcy to Chapter 7 of the Bankruptcy Code and appointed a Trustee to liquidate the business. We refer to HLC's filing and the subsequent process under the Bankruptcy Code as the HLC bankruptcy.

In its filings with the Bankruptcy Court, HLC has indicated that it believes it has claims against HLC's sole shareholder, our operating subsidiary LendingTree, LLC, and its former sole director (our Chairman and Chief Executive Officer), relating to the declaration of a dividend by HLC in January 2016 of \$40.0 million. We believe the declaration of the dividend was proper, that the amounts paid to LendingTree, LLC following such declaration are not subject to recovery by HLC and that any claims by HLC relating to the dividend declaration are without merit, and we intend to vigorously contest such claims.

As a result of its filings with the Bankruptcy Court, certain creditors have, and it is possible that certain other creditors will, assert claims directly against our company or one or more of our wholly-owned subsidiaries not included as debtors in the HLC bankruptcy, which we refer to as non-debtor parties, on various legal theories. While we are not aware of a basis for any material claims of this nature, any such assertions of claims by HLC creditors may require significant effort (including management time), resources and money to defend and could result in losses to us. Moreover, our management may be required to spend a significant amount of time and effort dealing with the HLC bankruptcy, which could have an adverse impact on our ability to execute our business plan and operations. See Note 17—Discontinued Operations to the consolidated financial statements included elsewhere in this report for a discussion of the accounting for HLC's bankruptcy filing.

Item 2. *Unregistered Sales of Equity Securities and Use of Proceeds*

Issuer Purchases of Equity Securities

In each of February 2018 and February 2019, the board of directors authorized and we announced a stock repurchase program which allowed for the repurchase of up to \$100.0 million and \$150.0 million, respectively, of our common stock. Under this program, we can repurchase stock in the open market or through privately-negotiated transactions. We have used available cash to finance these repurchases. We will determine the timing and amount of any additional repurchases based on our evaluation of market conditions, applicable SEC guidelines and regulations, and other factors. This program may be suspended or discontinued at any time at the discretion of our board of directors. During the quarter ended September 30, 2019, 1,079 shares of common stock were repurchased under the stock repurchase program. As of October 21, 2019, approximately \$180.9 million remains authorized for share repurchase.

Additionally, the LendingTree Sixth Amended and Restated 2008 Stock and Award Incentive Plan and the LendingTree 2017 Inducement Grant Plan allow employees to forfeit shares of our common stock to satisfy federal and state withholding obligations upon the exercise of stock options, the settlement of restricted stock unit awards and the vesting of restricted stock awards granted to those individuals under the plans. During the quarter ended September 30, 2019, 2,096 shares were purchased related to these obligations under the LendingTree Sixth Amended and Restated 2008 Stock and Award Incentive Plan and 173 shares were

[Table of Contents](#)

purchased related to these obligations under the LendingTree 2017 Inducement Grant Plan. The withholding of those shares does not affect the dollar amount or number of shares that may be purchased under the stock repurchase program described above.

The following table provides information about the company's purchases of equity securities during the quarter ended September 30, 2019.

Period	Total Number of Shares Purchased ⁽¹⁾	Average Price Paid per Share	Total Number of Shares Purchased as Part of Publicly Announced Plans or Programs ⁽²⁾	Approximate Dollar Value of Shares that May Yet Be Purchased Under the Plans or Programs
				<i>(in thousands)</i>
7/1/19 - 7/31/19	1,336	\$ 378.95	—	\$ 181,167
8/1/19 - 8/31/19	1,893	\$ 293.95	1,079	\$ 180,857
9/1/19 - 9/30/19	119	\$ 318.50	—	\$ 180,857
Total	3,348	\$ 328.74	1,079	\$ 180,857

(1) During July 2019, August 2019 and September 2019, 1,336 shares, 814 shares and 119 shares, respectively (totaling 2,269 shares), were purchased to satisfy federal and state withholding obligations of our employees upon the settlement of restricted stock units, all in accordance with our Sixth Amended and Restated 2008 Stock and Award Incentive Plan and 2017 Inducement Grant Plan, as described above.

(2) See the narrative disclosure above the table for further description of our publicly announced stock repurchase program.

Item 5. Other Information

None.

SECOND AMENDMENT TO CREDIT AGREEMENT

THIS SECOND AMENDMENT TO CREDIT AGREEMENT (this “Agreement”) is made and entered into as of September 17, 2019, by and among LENDINGTREE, LLC, a Delaware limited liability company (the “Borrower”), LENDINGTREE, INC., a Delaware corporation (“Parent”), the other Loan Parties (as defined in the Credit Agreement referred to below), the Lenders (as defined below) party hereto, and SUNTRUST BANK, as the administrative agent for itself and on behalf of the Lenders (in such capacity, the “Administrative Agent”).

WITNESSETH:

WHEREAS, the Borrower, Parent, the financial institutions from time to time party thereto (the “Lenders”), and the Administrative Agent have executed and delivered that certain Amended and Restated Credit Agreement dated as of November 21, 2017, as amended by that certain First Amendment to Credit Agreement dated as of June 24, 2019 (and as the same may be further amended, restated, supplemented, or otherwise modified from time to time, the “Credit Agreement”); and

WHEREAS, the Borrower has requested that the Lenders agree to amend certain provisions of the Credit Agreement as set forth herein, and the Administrative Agent and the Lenders party hereto have agreed to such amendments, in each case subject to the terms and conditions hereof.

NOW, THEREFORE, for and in consideration of the above premises and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties hereto, each of the parties hereto hereby covenants and agrees as follows:

SECTION 1. Definitions. Unless otherwise specifically defined herein, each term used herein (and in the recitals above) which is defined in the Credit Agreement shall have the meaning assigned to such term in the Credit Agreement. Each reference to “hereof,” “hereunder,” “herein,” and “hereby” and each other similar reference and each reference to “this Agreement” and each other similar reference contained in the Credit Agreement shall from and after the date hereof refer to the Credit Agreement as amended hereby.

SECTION 2. Amendment to Section 2.22(a)(ii). Section 2.22(a) of the Credit Agreement is amended by adding “(or such lesser amount as the Issuing Bank may agree in its sole discretion)” at the end of clause (ii) thereof.

SECTION 3. Conditions Precedent. This Agreement shall become effective only upon the Administrative Agent’s receipt of this Agreement duly executed by each of (i) the Loan Parties, (ii) the Required Lenders, (iii) the Issuing Bank, and (iv) the Administrative Agent.

SECTION 4. Miscellaneous Terms.

(a) Loan Document. For avoidance of doubt, the Loan Parties, the Lenders party hereto, and the Administrative Agent each hereby acknowledges and agrees that this Agreement is a Loan Document.

(b) Effect of Agreement. Except as set forth expressly hereinabove, all terms of the Credit Agreement and the other Loan Documents shall be and remain in full force and effect, and shall constitute the legal, valid, binding, and enforceable obligations of the Loan Parties.

(c) No Novation or Mutual Departure. The Loan Parties expressly acknowledge and agree that (i) there has not been, and this Agreement does not constitute or establish, a novation with respect to the Credit Agreement or any of the other Loan Documents, or a mutual departure from the strict terms, provisions, and conditions thereof, other than with respect to the amendments contained in Section 2 above and (ii) nothing in this Agreement shall affect or limit the Administrative Agent's or any Lender's right to demand payment of liabilities owing from any Loan Party to the Administrative Agent or the Lender under, or to demand strict performance of the terms, provisions, and conditions of, the Credit Agreement and the other Loan Documents, to exercise any and all rights, powers, and remedies under the Credit Agreement or the other Loan Documents or at law or in equity, or to do any and all of the foregoing, immediately at any time after the occurrence of a Default or an Event of Default under the Credit Agreement or the other Loan Documents.

(d) Ratification. Each Loan Party hereby (i) restates, ratifies, and reaffirms all of its obligations and covenants set forth in the Credit Agreement and the other Loan Documents to which it is a party effective as of the date hereof and (ii) restates and renews each and every representation and warranty heretofore made by it in the Credit Agreement and the other Loan Documents as fully as if made on the date hereof and with specific reference to this Agreement and any other Loan Documents executed or delivered in connection herewith (except with respect to representations and warranties made as of an expressed date, in which case such representations and warranties shall be true and correct as of such date).

(e) No Default. To induce Lenders to enter into this Agreement, Borrower hereby acknowledges and agrees that, as of the date hereof, and after giving effect to the terms hereof, there exists (i) no Default or Event of Default and (ii) no right of offset, defense, counterclaim, claim, or objection in favor of Borrower or arising out of or with respect to any of the Loans or other obligations of Borrower owed to Lenders under the Credit Agreement or any other Loan Document.

(f) Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same instrument.

(g) Fax or Other Transmission. Delivery by one or more parties hereto of an executed counterpart of this Agreement via facsimile, telecopy, or other electronic method of transmission pursuant to which the signature of such party can be seen (including, without limitation, Adobe Corporation's Portable Document Format) shall have the same force and effect as the delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by facsimile or other electronic method of transmission shall also deliver an original executed counterpart, but the failure to do so shall not affect the validity, enforceability, or binding effect of this Agreement.

(h) Recitals Incorporated Herein. The preamble and the recitals to this Agreement are hereby incorporated herein by this reference.

(i) Section References. Section titles and references used in this Agreement shall be without substantive meaning or content of any kind whatsoever and are not a part of the agreements among the parties hereto evidenced hereby.

(j) Further Assurances. The Loan Parties agree to take, at the Loan Parties' expense, such further actions as the Administrative Agent shall reasonably request from time to time to evidence the amendments set forth herein and the transactions contemplated hereby.

(k) Governing Law. This Agreement shall be governed by and construed and interpreted in accordance with the internal laws of the State of New York but excluding any principles of conflicts of law or other rule of law that would cause the application of the law of any jurisdiction other than the laws of the State of New York.

(l) Severability. Any provision of this Agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

(m) Reaffirmation. Each Guarantor (i) consents to the execution and delivery of this Agreement, (ii) reaffirms all of its obligations and covenants under the Loan Documents to which it is a party, and (iii) agrees that none of its respective obligations and covenants shall be reduced or limited by the execution and delivery of this Agreement.

(Signature pages follow)

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be duly executed by its duly authorized officer as of the day and year first above written.

CERTIFICATION

I, Douglas R. Lebda, certify that:

1. I have reviewed this quarterly report on Form 10-Q for the period ended September 30, 2019 of LendingTree, Inc.;
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;
4. The registrant's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the registrant and have:
 - (a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - (b) Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
 - (c) Evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - (d) Disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and
5. The registrant's other certifying officer(s) and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's board of directors (or persons performing the equivalent functions):
 - (a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and
 - (b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.

2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;
4. The registrant's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the registrant and have:
 - (a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - (b) Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
 - (c) Evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - (d) Disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and
5. The registrant's other certifying officer(s) and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's board of directors (or persons performing the equivalent functions):
 - (a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and
 - (b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.
